

## MasTec Announces the Retirement of J. Marc Lewis as Vice President of Investor Relations and Appointment of Christopher Mecray as Successor

April 7, 2025

CORAL GABLES, Fla., April 7, 2025 /PRNewswire/ -- MasTec, Inc. (NYSE: MTZ) today announced that after more than 23 years of service J. Marc Lewis will retire as Vice President of Investor Relations and Chris Mecray will immediately assume that role.

Chris Mecray joins MasTec from DuPont de Nemours, Inc. where he served as Vice President, Investor Relations. Mr. Mecray has also served in Investor Relations, Treasury and Strategy roles at Axalta Coating Systems, Inc., as a senior Fund Analyst at BlackRock, Inc. and as a sell-side equity research analyst with Deutsche Bank Securities and its predecessor companies. Mr. Mecray received his A.B. from Princeton University.

Mr. Lewis has agreed to stay on temporarily as an advisor in the transition process to ensure continuity of the investor relations program and transfer of relationships.

Paul DiMarco, MasTec's Executive Vice President and CFO commented, "I am delighted to welcome Chris to the senior management team. He brings with him great analytical skills and is highly-regarded in the investment community. I look forward to working closely with Chris as we continue to expand our investor base and grow shareholder value."

Jose Mas, MasTec's Chief Executive Officer noted, "I also want to welcome Chris as a great addition to the MasTec family. I would also like to take this opportunity to thank Marc for his decades of devotion to MasTec and our investors. Marc has been an integral part of the management team that created billions of dollars of shareholder value, and his humor and work ethic will be missed. We wish him the best of luck in his well-deserved retirement and especially in his charitable endeavors."

Mr. Lewis reflected on his MasTec career. "My years at MasTec have been the highlight of my professional career. It was such an honor to be part of the MasTec legacy, which is an embodiment of the American dream and nothing in my career has come close to the personal and professional fulfillment of my years at MasTec."

Mr. Lewis continued, "I am also delighted to turn over the reins to Chris Mecray who will take the MasTec investor relations program to the next level of excellence."

Marc plans to spend a lot of time in retirement concentrating on his charitable endeavors, primarily focusing on raising an endowment fund to provide long-term financial stability for Children's Vision International, Inc, which houses and educates the poor and abandoned children in Bogotá, Colombia.

MasTec, Inc. is a leading infrastructure construction company operating mainly throughout North America across a range of industries. The Company's primary activities include the engineering, building, installation, maintenance and upgrade of communications, energy, utility and other infrastructure, such as: wireless, wireline/fiber and customer fulfillment activities; power delivery infrastructure, including transmission, distribution, environmental planning and compliance; power generation infrastructure, primarily from clean energy and renewable sources; pipeline infrastructure, including for natural gas, water and carbon capture sequestration pipelines and pipeline integrity services; heavy civil and industrial infrastructure, including roads, bridges and rail; and environmental remediation services. MasTec's customers are primarily in these industries. The Company's corporate website is located at [www.mastec.com](http://www.mastec.com). The Company's website should be considered as a recognized channel of distribution, and the Company may periodically post important, or supplemental, information regarding contracts, awards or other related news and webcasts on the Events & Presentations page in the Investors section therein.
