MasTec Senior Management to Present at the J.P. Morgan Investor Conference

June 17, 2025

CORAL GABLES, Fla., June 17, 2025 /PRNewswire/ -- MasTec, Inc. (NYSE: MTZ) today announced that Paul DiMarco, its Executive Vice President and CFO, will be participating in a fireside chat with our covering analyst at the J.P. Morgan 2025 Energy, Power, Renewables & Mining Investor Conference on Tuesday, June 24th at approximately 10:55 a.m. Eastern Time. Additionally, one-on-one meetings with institutional investors and MasTec's senior management are also being arranged as a part of the conference.

The audio and any presentation materials may be accessed through links on the "Investors" page of MasTec's website at www.mastec.com. Interested parties should check the Company's website for any schedule updates, or time changes. The presentation will also be available for replay on the MasTec website for approximately 30 days.

Please make note that in the presentation by management, we may make certain statements that are forward-looking, such as statements regarding MasTec's future results, plans and anticipated trends in the industries where we operate.

These forward-looking statements are the Company's expectations on the day of the initial webcast, and the Company does not undertake to update these expectations based on subsequent events or knowledge.

Various risks, uncertainties and assumptions are detailed in our most recent financial press releases and filings with the Securities and Exchange Commission. Should one or more of these risks or uncertainties materialize, or should any of our underlying assumptions prove incorrect, actual results may differ significantly from results expressed or implied in these communications.

MasTec, Inc. is a leading infrastructure construction company operating mainly throughout North America across a range of industries. The Company's primary activities include the engineering, building, installation, maintenance and upgrade of communications, energy and utility and other infrastructure, such as: power delivery services, including transmission and distribution, wireless, wireline/fiber and customer fulfillment activities; power generation, primarily from clean energy and renewable sources; pipeline infrastructure, including natural gas pipeline and distribution infrastructure; heavy civil; and industrial infrastructure. MasTec's customers are primarily in these industries. The Company's corporate website is located at www.mastec.com. The Company's website should be considered as a recognized channel of distribution, and the Company may periodically post important, or supplemental, information regarding contracts, awards or other related news and webcasts on the Events & Presentations page in the Investors section therein.
