

MasTec Names Donald P. Weinstein Executive Vice President And Chief Financial Officer

January 3, 2002

MIAMI, Jan. 3 /PRNewswire/ -- MasTec, Inc. (NYSE: MTZ) today announced it has named Donald P. Weinstein as Executive Vice President and Chief Financial Officer.

With 15 years of broad financial and operational experience, Mr. Weinstein brings to MasTec a proven ability to create shareholder value. Mr. Weinstein was most recently Senior Vice President and Chief Financial Officer of AGL Resources, Inc., a publicly traded natural gas company with 1.8 million customers in the Southeastern United States, as well as President of the company's telecommunications subsidiary, AGL Networks. Previously, Mr. Weinstein served for 10 years with Citizens Communications Co., a telecommunications and utility company with 2.5 million customers in 24 states, the last two years as Vice President - Planning and Development.

"Donald's financial skills combined with his extensive industry experience enable him to make an immediate impact as a key member of MasTec's management team," said Austin Shanfelter, MasTec's President and CEO. "Donald has helped organizations successfully navigate through some significant changes, internally and externally, and he brings this knowledge and experience to MasTec."

Mr. Weinstein will be responsible for the day-to-day financial group operations, information technology, human resources, corporate communications and investor relations.

MasTec <www.mastec.com> is a leading communications and energy infrastructure service provider in North America and Brazil. We design, build, install, maintain and monitor internal and external networks for leading telecommunications, broadband, energy and Fortune 1000 companies.
