## **MasTec's Second Quarter Income from Continuing Operations Grew 31% on 11% Increase in Revenue**

**Coral Gables, FL** (August 1, 2007) — MasTec, Inc. (NYSE: MTZ) today announced that for the quarter ended June 30, 2007, income from continuing operations was \$16 million, or \$0.24 earnings per diluted share, on revenue of \$256 million. This compares with income from continuing operations of \$12 million, or \$0.19 per diluted share, on revenue of \$231 million in the prior year quarter.

A number of other financial measures have also improved this quarter. The most significant was income from continuing operations increasing to 6.3% of revenue for the quarter, an improvement over 5.3% in the same quarter last year. Cash and liquidity both improved, with quarter-end balances of \$119 and \$139 million, respectively. We define liquidity as availability under our credit facility plus unrestricted bank cash. Cash collections, as measured by accounts receivable days sales outstanding, or DSOs, improved again this quarter, down to 59 days, the best in the Company's recent history.

Jose R. Mas, MasTec's President and Chief Executive Officer, commented, "We are pleased with our progress in 2007. While our operating margins are at their highest level in years, we are far from satisfied. We will continue focusing on margin improvement and growth as we position the Company to take advantage of the opportunities in the markets we serve."

In addition, MasTec narrowed the range for its full year 2007 guidance. The Company still expects revenue to be in the range of \$1.04 to \$1.06 billion, but has now announced that it expects earnings per share from continuing operations to be between \$0.84 and \$0.90 per share.

Management will hold a conference call to discuss results of operations for the quarter ended June 30, 2007 on Thursday, August 2, 2007 at 10:00 a.m. Eastern time. The call-in number for the conference call is (913) 312-1301 and the replay number is (719) 457-0820, with a pass code of 7818149. The replay will run for 30 days.
