ATTACHMENT TO FORM 12b-25

Form 10-K for the annual period ended December 31, 2003

PART III — NARRATIVE

MasTec, Inc. ("MasTec") is unable to file its Form 10-K for the year ended December 31, 2003 within the prescribed time period without unreasonable effort or expense. The reasons causing MasTec's inability to file timely are beyond its control and could not be eliminated by the company without unreasonable effort or expense.

MasTec is unable to timely file its Annual Report on Form 10-K without unreasonable effort and expense because MasTec is still in the process of providing the support necessary for its auditors to conclude their work in connection with the audited financial statements for the year ended December 31, 2003.

PART IV – NARRATIVE

MasTec expects to report a significant change in its results of operations for the year ended December 31, 2003 as compared to the comparable period in the prior year. Consolidated results for the year ended December 31, 2003 will reflect a significantly lower net loss than the net loss for the year ended December 31, 2002. Because the auditing process with respect to our activities is not yet complete, we are unable to provide a reasonable estimate of the loss we expect to incur.
