**Item 8.01. Other Events.**

As previously disclosed, the Securities and Exchange Commission began an informal inquiry into the issues associated with the restatement of some of our financial statements in 2001 through 2003. We have fully cooperated with the SEC in its efforts, and will continue to do so. On August 18, 2006, we received verbal notification from the SEC that the inquiry will continue under a formal order of investigation, which we believe is a common step in such matters. We believe that the focus of the investigation is substantially the same as the informal inquiry.
