PROXY STATEMENT**2005 ANNUAL MEETING OF SHAREHOLDERS OF MASTEC, INC.****QUESTIONS AND ANSWERS ABOUT OUR ANNUAL MEETING****Why did I receive this proxy?**

The Board of Directors of MasTec, Inc. is furnishing this Proxy Statement to solicit proxies on its behalf to be voted at the 2005 Annual Meeting of Shareholders of MasTec to be held at Douglas Entrance Annex Building, 3rd Floor Archroom, 800 S. Douglas Road, Coral Gables, Florida 33134, on Thursday, May 26, 2005, at 9:30 a.m. local time. This Proxy Statement summarizes the information you need to know to vote by proxy or in person at the Annual Meeting. You do not need to attend the Annual Meeting in person in order to vote.

When was this proxy statement mailed?

This Proxy Statement, the enclosed proxy card and the Form 10-K containing the financial statements for the year ended December 31, 2004 are first being mailed or transmitted electronically on or about April 25, 2005 to shareholders of record at the close of business on April 11, 2005.

Who is entitled to vote?

Only holders of record of shares of our common stock at the close of business on April 11, 2005, the record date, are entitled to notice of and to vote at the Annual Meeting or any adjournment or postponement of the meeting. On the record date, 48,777,338 shares of common stock were outstanding and eligible to be voted at the Annual Meeting and there were 2,066 record shareholders.

What is the quorum for the meeting?

The presence, in person or by proxy, of a majority of the shares of common stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. No business may be conducted at the Annual Meeting if a quorum is not present. If less than a majority of outstanding shares entitled to vote are represented at the Annual Meeting, a majority of the shares so represented may adjourn the Annual Meeting to another date, time or place. Notice need not be given of the new date, time or place if announced at the meeting before an adjournment is taken.

How many votes do I have?

The securities that can be voted at the Annual Meeting are our common stock, with each share entitling its owner to one vote on all matters brought before the Annual Meeting.

How do I vote?

If you are not present in person at the Annual Meeting, your shares can be voted only if represented by proxy or if you vote telephonically or online. The shares represented by your proxy will be voted in accordance with your instructions only if you properly complete, sign and return the accompanying proxy card to our Secretary prior to the Annual Meeting or vote your ballot telephonically or online.

Shareholders are eligible to vote electronically through the Internet or by telephone. Please go to www.mastec.com under Investor Relations or follow the instructions accompanying your proxy card for more information on voting by telephone or online and registering to receive future proxy and other materials online.

Shareholders not wishing to vote telephonically or electronically through the Internet or whose proxy card does not reference telephone or online voting information should complete and return the enclosed paper proxy card. Signing and returning the proxy card or submitting the proxy via telephone or online does not affect the right to vote in person at the Annual Meeting. For voting your shares held by a broker and/or held in a 401(K) Retirement Plan, see below.

How do I vote my shares that are held by my broker?

If you hold shares of our common stock in street name and wish to vote in person at the meeting, you must present a recent proxy validating your ownership of the shares of common stock intended to be voted from your bank, broker or other nominee that holds of record your shares of common stock and proof of identity for entrance to the meeting.

How do I vote my shares that are held in my 401(K) Retirement Plan?

Separate proxy cards are being transmitted to all persons who have shares of our common stock allocated to their accounts as participants or beneficiaries under the MasTec, Inc. 401(k) Retirement Plan (the "401(k) Plan"). These proxy cards appoint Investors Bank & Trust, which acts as Trustee for the 401(k) Plan, to vote the shares held for the accounts of the participants or their beneficiaries in the 401(k) Plan in accordance with the instructions noted thereon. **In the event no proxy card is received from a participant or beneficiary or a proxy card is received without instructions, or in the event shares are not yet allocated to any participant's account, the Trustee will vote the shares of stock of the participant and any unallocated shares "FOR" the three nominees for director.** The Trustee does not know of any other business to be brought before the Annual Meeting but it is intended that, if any other matters properly come before the Annual Meeting, the Trustee as proxy will vote upon such matters according to its judgment.

Any 401(k) Plan participant or beneficiary who executes and delivers a proxy card may revoke it at any time prior to its use by executing and delivering a duly executed proxy card bearing a later date or by giving written notice to ADP Investor Communication Services, Plan Tabular, at the following address: ADP Investor Communication Services, Attention: Tabulation Department, 51 Mercedes Way, Edgewood, NY 11717. Under the terms of the 401(k) Plan, the Trustee is required to vote the shares held for the accounts of the participants or their beneficiaries in the 401(k) Plan in accordance with the instructions noted thereon, and only the Trustee of the 401(k) Plan can vote the shares allocated to the accounts of participants, even if such participants or their beneficiaries attend the Annual Meeting in person.

What am I voting on?

At the Annual Meeting, our shareholders will be asked to vote on the following proposals:

- The election of three directors to serve as Class I Directors until the 2008 Annual Meeting of Shareholders; and
- Such other business as may properly be brought before the Annual Meeting, and at any adjournments or postponements of the Annual Meeting.

What vote is required to elect directors at the Annual Meeting?

If a quorum is present, directors will be elected pursuant to the affirmative vote of a plurality of the shares of common stock voting in person or represented by proxy at the Annual Meeting, which means that the three nominees who receive the most affirmative votes will be elected to the Board of Directors. In voting to elect nominees to the Board of Directors, shareholders may vote in favor of all the nominees or any individual nominee or withhold their votes as to all the nominees or any individual nominee.

As of April 11, 2005 (the record date for the Annual Meeting), our directors and executive officers beneficially owned or controlled approximately 23,660,791 shares of our common stock (2,472,009 of which are shares beneficially owned through options exercisable within 60 days), constituting approximately 44.48% of the outstanding common stock. We believe that these holders will vote their shares of common stock in favor of the nominees for directors. Therefore, the presence of a quorum and the election of the director nominees are reasonably assured.

How are abstentions and broker non-votes treated?

Pursuant to Florida law, abstentions and broker non-votes are counted as present for purposes of determining the presence of a quorum. For purposes of the election of directors, abstentions will not be counted as votes cast and will have no effect on the result of the vote. Under the rules of the New York Stock Exchange, brokerage firms may have the authority to vote their customers' shares on certain routine matters for which they do not receive voting instructions, including the uncontested election of directors. Therefore, brokerage firms may vote such shares to approve the election of the director nominees.

Will there be any other items of business on the agenda?

The Board of Directors does not know of any other matters that may be brought before the Annual Meeting nor does it foresee or have reason to believe that proxy holders will have to vote for substitute or alternate nominees for election to the board of directors. In the event that any other matter should come before the Annual Meeting or any nominee is not available for election, the persons named in the enclosed proxy will have discretionary authority to vote all proxies not marked to the contrary with respect to such matters in accordance with recommendation of the Board of Directors.

What happens if I return my proxy card without voting?

When the proxy is properly executed and returned, the shares it represents will be voted at the Annual Meeting in accordance with your directions. If the signed card is returned with no direction, **the proxy will be voted to elect the director nominees listed in "Proposal No. 1 – Election of Directors"** and in accordance with the recommendation of the Board of Directors on all other matters that may properly come before the Annual Meeting.

Can I change my vote after I have voted?

A proxy given pursuant to this solicitation may be revoked at any time prior to its exercise by:

- written notice delivered to our Corporate Secretary at MasTec, Inc., 800 S. Douglas Road, 12th Floor, Coral Gables, Florida 33134,
- executing and delivering to our Corporate Secretary a proxy with a later date,
- attending the Annual Meeting and voting in person or
- submitting a telephonic or electronic vote with a later date.

With respect to telephonic or electronic votes, the last vote transmitted will be the vote counted. Attendance at the Annual Meeting will not, in itself, constitute revocation of a proxy.

Will anyone contact me regarding this vote?

No arrangements or contracts have been made with any solicitors as of the date of this Proxy Statement, although we reserve the right to engage solicitors if we deem them necessary. Such solicitations may be made by mail, telephone, facsimile, e-mail or personal interviews. In addition, we reserve the right to solicit proxies through our directors, officers and employees in person and by telephone or facsimile. Brokerage firms, nominees, custodians and fiduciaries also may be requested to forward proxy materials to the beneficial owners of shares held of record by them.

Who has paid for this proxy solicitation?

All expenses incurred in connection with the solicitation of proxies, including the printing and mailing of this Proxy Statement, will be borne by MasTec.

How do I obtain a list of Mastec's shareholders?

A list of MasTec's shareholders as of April 11, 2005, the record date for the Annual Meeting, will be available for inspection at our corporate headquarters located at 800 S. Douglas Road, 12th Floor, Coral Gables, Florida, 33134 during normal business hours during the 10-day period prior to the Annual Meeting.

How do I submit a proposal for the 2006 Annual Meeting?

Under our bylaws, MasTec must receive any proposal of an eligible shareholder intended to be presented at the 2006 Annual Meeting of Shareholders of MasTec, including any nomination proposal, on or before December 26, 2005, for the proposal to be eligible for inclusion in our Proxy Statement and Proxy related to that meeting. Any notice regarding a shareholder proposal must include the information specified in Article I, Section 9 of our bylaws. If a shareholder fails to comply with Article I, Section 9 of our bylaws or notifies MasTec after December 26, 2005 of an intent to present a proposal at MasTec's 2006 Annual Meeting of Shareholders, the proposal will not be considered. A copy of our bylaw requirements will be provided upon written request to: MasTec Legal Department, 800 S. Douglas Road, 12th Floor, Coral Gables, Florida, 33134.

Since more than one shareholder lives at this address, why did we only receive one set of proxy materials?

Unless contrary instructions are received, MasTec may send a single copy of the Annual Report, Proxy Statement and Notice of Annual Meeting to any household at which two or more shareholders reside if MasTec believes the shareholders are members of the same family. Each shareholder in the household will continue to receive a separate proxy card. This process is known as "householding" and helps reduce the volume of duplicate information received at a single household, which reduces costs and expenses borne by MasTec.

If you would like to receive a separate set of MasTec's annual disclosure documents this year or in future years, follow the instructions described below. Similarly, if you share an address with another shareholder and the two of you would like to receive only a single set of our annual disclosure documents, follow the instructions below:

1. If your shares are registered in your own name, please contact our transfer agent Wachovia Securities, and inform them of your request by calling them at 1-800-829-8432 or by writing to them at Corporate Trust Client Services NC-1153, 1525 West W.T. Harris Boulevard 3C3, Charlotte, North Carolina 28262-1153.

2. If a bank, broker or other nominee holds your shares, please contact your bank, broker or other nominee directly.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Board of Directors has nominated each of Jorge Mas, Jose R. Mas and Julia L. Johnson to stand for election as Class I directors at the Annual Meeting, to hold office until the 2008 Annual Meeting and until their respective successors are elected and qualified. The Board of Directors currently is composed of nine directors elected in three classes, with three Class I, three Class II, and three Class III directors. Directors in each class hold office for three-year terms. The terms of the classes are staggered so that the term of only one class terminates each year. The terms of the current Class I directors expire at the Annual Meeting. If elected, the nominees for Class I directors will serve until the 2008 Annual Meeting of Shareholders. The terms of the Class II directors expire at the 2006 Annual Meeting of Shareholders and the terms of the Class III directors expire at the 2007 Annual Meeting of Shareholders.

Additional background information regarding the nominees for election is provided below. MasTec has no reason to believe that any of these nominees will refuse or be unable to serve as a director if elected; however, if any of the nominees is unable to serve, each proxy that does not direct otherwise will be voted for a substitute nominee designated by the Board of Directors.

The Board of Directors recommends that you vote FOR each of the nominees named above. Unless otherwise indicated, the accompanying form of proxy will be voted FOR the election of each of the nominees for election as a Class I director named above.

OTHER INFORMATION REGARDING THE BOARD OF DIRECTORS

Board and Committee Meetings

The Board of Directors conducts its business through meetings of the full Board and through committees of the Board, including the Executive Committee, the Audit Committee, the Compensation Committee, the Independent Committee and the Nominating and Corporate Governance Committee. The Board and its committees also act by written consent. During 2004, the Board of Directors met on eight occasions. During 2004, each of the current directors attended at least 75% of the Board meetings and the meetings of each committee on which such director serves.

The Executive Committee is composed of Jorge Mas, who serves as Chairman, Julia L. Johnson, Austin J. Shanfelter and John Van Heuvelen. The principal function of the Executive Committee is to act for the Board of Directors when action is required between full Board meetings. During 2004, the Executive Committee met on one occasion.

The Audit Committee is composed of John Van Heuvelen who is currently serving as its Chairman, Julia L. Johnson and Frank E. Jaumot. Arthur B. Laffer served as Chairman of the Audit Committee until his resignation from the Audit Committee on March 11, 2004. Sherrill W. Hudson served as Chairman of the Audit Committee from March 11, 2004 through July 7, 2004. In July, in connection with his acceptance of the position of Chairman and Chief Executive Officer of TECO Energy, Inc., Mr. Hudson resigned from all other public boards, including his position as a MasTec director and Audit Committee Chairman. The Audit Committee oversees MasTec's financial reporting and the Sarbanes Oxley compliance program on behalf of the Board of Directors. The Audit Committee also is required to approve all audit and nonaudit services provided by our independent auditor, including the scope of and fees paid to the independent auditor. MasTec's Board of Directors has adopted a charter that sets forth the responsibilities of the Audit Committee. During 2004, the Audit Committee met on twenty-eight occasions. The Board of Directors, in the exercise of its reasonable business judgment, has determined that (i) John Van Heuvelen and Frank E. Jaumot qualify as "audit committee financial expert(s)," (ii) each member of the Audit Committee is financially literate and (iii) each member of the Audit Committee is independent, under applicable New York Stock Exchange and Securities and Exchange Commission rules and regulations. Please refer to the section entitled "Audit Committee and Audit Related Information" for further information.

The Compensation Committee is composed of Jose S. Sorzano, who currently serves as Chairman, Carlos M. de Cespedes, Robert J. Dwyer and John Van Heuvelen, all of whom the Board of Directors, in the exercise of its reasonable business judgment, has determined to be independent, under applicable New York Stock Exchange and Securities and Exchange Commission rules and regulations. William N. Shiebler served as Chairman of the Compensation Committee until his resignation from our Board of Directors in August 2004. The Compensation Committee is charged with determining compensation for the Chief Executive Officer and the other senior management of MasTec, establishing salaries, bonuses and other compensation for MasTec's executive and operating officers, administering MasTec's stock option, stock purchase and incentive compensation plans and recommending to the Board of Directors changes to the plans. The Independent Committee is composed of Frank E. Jaumot and Robert J. Dwyer each of whom the Board of Directors, in the exercise of its reasonable business judgment, has determined to be independent, under applicable New York Stock Exchange and Securities and Exchange Commission rules and regulations. This committee was established by the Board of Directors in 2004 and the Executive Committee appointed Mr. Jaumot and Mr. Dwyer to the committee in 2005. The committee was established to investigate allegations made in a derivative action brought against MasTec; several of its former and current directors including, Directors Jorge Mas, Jose R. Mas, Julia L. Johnson, Jose S. Sorzano, John Van Heuvelen and Arthur B. Laffer; and several of its former and current executive officers, including, Austin Shanfelter, MasTec's President and

Chief Executive Officer and Donald Weinstein, MasTec's former Chief Financial Officer. The derivative action claims that the Board of Directors is obligated to bring an action against corporate officers based on allegations contained in a related shareholder action. The committee is charged with the responsibility of determining whether it is in MasTec's best interests to pursue an action or actions based on the allegations.

The Nominating and Corporate Governance Committee is composed of Julia L. Johnson, who serves as Chairman, Carlos M. de Cespedes, Jose S. Sorzano, and John Van Heuvelen all of whom, the Board of Directors, in the exercise of its reasonable business judgment, has determined to be independent, under applicable New York Stock Exchange and Securities and Exchange Commission rules and regulations. The Nominating and Corporate Governance Committee is responsible for developing qualifications for members of the Board of Directors, recommending to the Board of Directors candidates for election to the Board of Directors and evaluating the effectiveness and performance of the Board of Directors. The Nominating and Corporate Governance Committee also develops, implements and monitors MasTec's corporate governance principles and its code of business conduct and ethics; monitors and safeguards the Board's independence; and annually undertakes performance evaluations of the Board committees and the full Board of Directors. MasTec's Board of Directors has adopted a charter that sets forth the responsibilities of the Nominating and Corporate Governance Committee. During 2004, the Nominating and Corporate Governance Committee met on two occasions.

The Nominating and Corporate Governance Committee has no specific minimum qualifications for director candidates. In general, however, persons considered for membership on the Board must have demonstrated leadership capabilities, be of sound mind and high moral character and be willing and able to commit the necessary time for Board and committee service. In evaluating potential candidates for service on the Board of Directors, the Nominating and Corporate Governance Committee will consider, consistent with its charter, the candidate's education; range and depth of business experience; availability; potential contribution of time and expertise to MasTec; the mix of interests, experiences and attributes of the incumbent directors; the existence or lack thereof, of potential conflicts created by the candidate's current board memberships or other commitments; the candidate's ability to satisfy the need for any required expertise on the Board or one of its committees; and such other factors as the Nominating and Corporate Governance Committee may, in its discretion, deem important to successful service as a director. In 2004, the Nominating and Corporate Governance Committee retained an independent consulting firm to assist in identifying and evaluating director candidates. The Nominating and Corporate Governance Committee members met frequently with these consultants prior to formalizing recommendations and nominations for new directors.

The Nominating and Corporate Governance Committee will consider candidates recommended by the shareholders pursuant to written applications submitted to us at 800 S. Douglas Road, 12th Floor, Coral Gables, Florida 33134; Attention: Corporate Secretary, not less than 120 calendar days prior to the first anniversary of the date that our proxy statement is released to shareholders in connection with the preceding year's annual meeting of shareholders, except that if no annual meeting of shareholders was held in the preceding year or if the date of the annual meeting of shareholders has been changed by more than 30 calendar days from the date contemplated at the time of the preceding year's proxy statement, the notice must be received by our Corporate Secretary not less than 150 calendar days prior to the date of the contemplated annual meeting or the date that is 10 calendar days after the date of the first public announcement or other notification to shareholders of the date of the contemplated annual meeting, whichever first occurs. Shareholder proposals for nominees should include biographical and other related information regarding the proposed nominee sufficient to comply with applicable disclosure rules and a statement from the shareholder as to the qualifications and willingness of the candidate to serve on our Board of Directors. No recommended nominees were received by the Nominating and Corporate Governance Committee from any shareholder or group of shareholders who beneficially own five percent or more of our common stock for the previous year's annual meeting.

The full text of our current Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee charters and our Corporate Governance Guidelines are available on MasTec's website located at www.mastec.com and are available in print to any shareholder who requests it at MasTec, Inc., Legal Department, 800 S. Douglas Road, 12th Floor, Coral Gables, Florida 33134. The Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee Charters are attached to this document as Appendix A, B and C respectively.

Independent Directors

The Board of Directors, in the exercise of its reasonable business judgment, has determined that a majority of our directors qualify as independent directors pursuant to the New York Stock Exchange and Securities and Exchange Commission rules and regulations. In making the determination of independence, the Board considered that no independent director has a material relationship with MasTec, either directly or as a partner or shareholder of an organization that has a relationship with MasTec or (ii) any other relationships that in the Board's judgment would interfere with the director's independence. Our independent directors are Carlos M. de Cespedes, Robert J. Dwyer, Frank E. Jaumot, Julia L. Johnson, Jose S. Sorzano, and John Van Heuvelen. The independent directors are scheduled to meet twice a year in executive sessions without management and a majority of the independent directors present will determine the presiding director for those meetings.

Other Corporate Governance Matters

Interested parties who want to communicate with the presiding or with the independent directors as a group, or a shareholder who wants to communicate with the Board, individual Board members or a board committee should address their communications to the Board, the Board members or the Board committee, as the case may be, and send them to c/o Corporate Secretary, MasTec, Inc., 800 S. Douglas Road, 12th Floor, Coral Gables, Florida 33134. The Corporate Secretary will forward all such communications directly to such Board members.

MasTec does not have a policy requiring our directors to attend the Annual Meeting. All of our then-current directors attended our 2004 Annual Meeting of Shareholders.

MasTec has adopted a Code of Business Conduct and Ethics that applies to all of our directors, officers and employees which include additional criteria that are applicable to our Chief Financial Officer and senior financial officers. The full text of the Code of Business Conduct and Ethics is available on MasTec's website at www.mastec.com. We intend to provide amendments or waivers to our Code of Business Conduct and Ethics, on our website, within four business days of such amendment or waiver.

Compensation of Directors

During 2004, MasTec, Inc. took into consideration the adoption of a new independent director compensation program, based upon the greatly increased responsibilities and time demands on independent directors. Research was conducted to ensure that the independent directors' compensation program would be competitive with current market practice and trends in comparable industries. We decided to provide each independent director with an annual cash retainer, committee service retainer, committee chairperson service retainer, formula stock option grants for appointment/re-election and continued service, and restricted stock grants for appointment/re-election to the Board, all as governed by our Amended and Restated 2003 Stock Incentive Plan for Non-Employees. In addition, directors are reimbursed for their reasonable expenses in attending Board and committee meetings.

Each of the independent directors is paid an annual retainer of \$30,000. In addition, the Audit Committee Chairperson is paid \$15,000 per year and each other audit committee member is paid \$10,000 per year for service. The Compensation Committee Chairperson and the Nominating and

Governance Committee Chairperson are paid \$5,000 per year and each of the other members of these committees is paid \$4,000 per year for service. All other committee members and chairpersons receive \$1,000 per year. All cash compensation is paid on a quarterly basis.

The Amended and Restated 2003 Stock Incentive Plan for Non-Employees governs the formula option grants of 20,000 shares of our common stock upon election or appointment to the Board, 20,000 shares of our common stock upon each re-election and 7,500 shares of our common stock following each Annual Meeting of Shareholders for continued service during the elected term. In addition to the foregoing, the Compensation Committee, which administers the Amended and Restated 2003 Stock Incentive Plan for Non-Employees, may make discretionary grants of stock options and restricted stock awards to non-employee directors. All options expire ten years from the date of grant and vest annually over three years. All options are granted at an exercise price equal to the fair market value of MasTec's common stock based on the closing price of our common stock on the New York Stock Exchange on the date of grant.

Pursuant to the Amended and Restated 2003 Incentive Stock Option Plan, Julia L. Johnson and John Van Heuvelen each received a formula grant of options to purchase 7,500 shares of our common stock in December 2004 for continued service on our Board, Jose S. Sorzano received a formula grant for options to purchase 20,000 shares of our common stock in December 2004 for his re-election to our Board. Robert J. Dwyer received a formula grant of options to purchase 20,000 shares of our common stock in November 2004 upon his appointment to our Board. Carlos M. de Cespedes and Frank E. Jaumot each received a formula grant of options to purchase 20,000 shares of our common stock in October 2004 upon their appointment to our Board.

Under the Amended and Restated 2003 Incentive Stock Option Plan each director receives a grant of restricted stock with a value equal to \$50,000 upon appointment to the Board and \$50,000 of restricted stock upon re-election. Restricted stock becomes vested and nonforfeitable on the third anniversary of the date of grant. Upon issuance of the shares of the restricted stock, the recipient has immediate rights of ownership in the shares of restricted stock, including the right to vote the shares and the right to receive dividends. Pursuant to the Amended and Restated 2003 Incentive Stock Option Plan, Julia L. Johnson, Jose S. Sorzano, and John Van Heuvelen each received 9,941 shares of restricted stock with an effective date of July 2004. Frank E. On November 1, 2002, MasTec and Austin J. Shanfelter entered into a split dollar agreement wherein MasTec agreed to pay the premiums due on an \$18,000,000 life insurance policy. Mr. Shanfelter and his spouse are the insureds under the policy. MasTec is the sole owner and beneficiary of the policy and is entitled, upon the death of the insureds, to recover all premiums it has paid on the policy plus interest equal to four percent, compounded annually. The remainder of the policy's proceeds will be paid in accordance with Mr. Shanfelter's designations. MasTec will make the premium payments for the term of the agreement or until the agreement is terminated, which occurs upon any of the following events: (i) total cessation of MasTec's business, (ii) bankruptcy, receivership or dissolution of MasTec, or (iii) the six year anniversary of the agreement. In 2004, MasTec paid approximately \$500,000 in premiums in connection with insurance policies for Mr. Shanfelter and his family.

Effective July 16, 2004, MasTec and Jose R. Mas entered into a split dollar agreement wherein MasTec agreed to pay the premiums due on a \$5,000,000 life insurance policy. Under the terms of this agreement, MasTec is the sole owner and beneficiary of the policy and is entitled, upon the death of the insured, to recover all the premiums it has paid on the policy plus interest equal to three and a half percent, compounded annually. The remainder of the policy's proceeds will be paid in accordance with Mr. Mas' designations. MasTec has agreed to make the premium payments until at least July 15, 2009. In 2004, MasTec paid approximately \$150,000 in premiums in connection with insurance policies for Mr. Mas.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is responsible for establishing and administering the policies for MasTec's compensation programs, approving the compensation level of the Chief Executive Officer and recommending to the Board the compensation levels of the other executive officers of MasTec. The Compensation Committee also reviews with the Chief Executive Officer guidelines for salaries and bonus awards applicable to MasTec's employees other than its executives. The Compensation Committee is composed of Jose S. Sorzano, who serves as Chairman, Robert J. Dwyer, Carlos M. de Cespedes, and John Van Heuvelen, all of whom the Board of Directors in the exercise of its reasonable business judgment, has determined are independent pursuant to New York Stock Exchange and Securities and Exchange Commission rules and regulations. William N. Shiebler served as Chairman of the Compensation Committee until August 2004.

Statement of Philosophy of Executive Compensation

The executive compensation program of MasTec is designed to (i) provide base compensation reasonably comparable to that offered by other leading companies to their executives so as to attract and retain talented personnel, (ii) motivate executives to achieve the strategic goals set by MasTec by linking an executive's incentive compensation to the performance of MasTec and applicable business units, as well as to individual performance, and (iii) align the interests of MasTec's executives with the long-term interests of its shareholders through the award of stock options and other stock-related programs. To implement this philosophy, MasTec offers its executives compensation packages that include a mix of salary, incentive bonus awards, and stock options.

In determining the level and form of executive compensation to be paid or awarded, the Committee relies primarily on MasTec's results of operations and, in the case of senior executives, an assessment of MasTec's overall performance in light of its strategic objectives. The primary factors considered by the Compensation Committee in establishing 2004 compensation for senior executives were the net loss incurred by MasTec in 2003 and the provisions of the employment agreements which contain certain commitments related to compensation.

Salary

The base salary of executives is determined initially by analyzing and evaluating the responsibilities of the position and comparing the proposed base salary with that of executives in comparable positions in other companies. Adjustments are determined by objective factors such as MasTec's performance and the individual's contribution to that performance and subjective considerations such as additional responsibilities taken on by the executive.

Incentive Awards

In addition to paying a base salary, MasTec awards incentive bonuses as a component of overall compensation. MasTec has established incentive compensation plans for its executives at both the corporate and operational levels that award incentive bonuses based primarily on MasTec's or an individual unit's performance as measured by earnings before interest and taxes. Because of the time it takes to gather and evaluate the necessary financial data to gauge performance over the prior year, bonuses for performance are not paid until the beginning of the following year. A portion of the bonus may be awarded in stock or stock options. MasTec or the individual unit must meet certain minimum thresholds before any

bonus is earned. The Compensation Committee awarded a \$75,000 cash bonus in 2004 to Mr. C. Robert Campbell as required by his employment agreement. The Compensation Committee awarded no cash bonuses to executives for performance in 2004.

Long-Term Incentives

Stock options are granted as long-term incentive compensation to encourage and enhance positive performance and to align the interest of our executives with our shareholders. Options are granted at a price equal to the fair market value of our common stock on the New York Stock Exchange on the date of grant, and will have value only if MasTec's stock price increases. Grants to executives are based on their scope of responsibility, performance, size of prior grants and strategic practices. During 2004, of the Named Executive Officers, only Mr. Campbell received an option grant to purchase shares in accordance with his employment agreement.

Awards generally are not exercisable immediately upon grant, but instead vest over a specified period. Accordingly, an employee must remain employed by us for a specified period to enjoy the full economic benefit of an award.

Chief Executive Officer Compensation

The Compensation Committee based the Chief Executive Officer's 2004 salary on Austin J. Shanfelter's July 1, 2002 employment agreement. The agreement is for a term of four years and provides that Mr. Shanfelter will be paid an annual salary of \$600,000 and deferred compensation of \$2,000,000. Although the agreement allows for a performance measure bonus, the Compensation Committee determined that no performance bonus would be awarded to Mr. Shanfelter for 2004 performance. Mr. Shanfelter's bonus granted in 2004 was the fourth installment of a deferred compensation agreement entered into in 2000 while Mr. Shanfelter served as President of one of MasTec's service offerings, and before he became an executive officer of MasTec.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

MasTec purchases, rents and leases equipment used in its business from a number of different vendors, on a non-exclusive basis, including Neff Corp., of which Jorge Mas and Jose R. Mas are directors and owners of a controlling interest. Juan Carlos Mas, the brother of Jorge and Jose Mas, is Chief Executive Officer and a director of Neff Corp. In 2004, MasTec paid Neff approximately \$1.2 million for equipment purchases, rentals and leases. MasTec believes the amount paid to Neff is equivalent to the payments that would have been made between unrelated parties for similar transactions acting at arm's length.

Effective as of August 27, 2002, MasTec and Jorge Mas entered into a split dollar agreement wherein MasTec agreed to pay the premiums due on two life insurance policies with an aggregate face amount of \$50,000,000. Mr. Mas and his spouse are the insureds under the policies. Under the terms of this agreement, MasTec is the sole owner and beneficiary of the policies and is entitled to recover all premiums it pays on the policies plus interest equal to four percent, compounded annually, upon the death of the insureds. The remainder of the policies' proceeds will be paid in accordance with Mr. Mas' designations. MasTec will make the premium payments until the agreement is terminated, which occurs upon any of the following events: (i) total cessation of MasTec's business, (ii) bankruptcy, receivership or dissolution of MasTec, or (iii) a change of control of MasTec.

Additionally, effective as of September 13, 2002, MasTec and Jorge Mas entered into a second split dollar agreement (as amended on December 1, 2002) wherein MasTec agreed to pay the premiums due on an \$80,000,000 life insurance policy, \$60,000,000 of which is subject to the agreement. The remaining \$20,000,000 is deemed to be key-man insurance payable to MasTec and falls outside of the agreement. Jorge Mas is the insured under this policy. Under the terms of this agreement, MasTec is the sole owner and beneficiary of the policy and is entitled to recover all premiums it pays on the portion of the policy subject to the agreement, plus interest equal to four percent, compounded annually, upon the death of Mr. Mas. MasTec will make the premium payments until the agreement is terminated, which occurs upon any of the following events: (i) total cessation of MasTec's business, (ii) bankruptcy, receivership or dissolution of MasTec, or (iii) a change of control of MasTec. An amount equal to \$60,000,000 of the policy's proceeds will be paid in accordance with Jorge Mas' designations. Any remainder of the proceeds will be paid to MasTec.

In 2004, MasTec paid \$1,135,092 in premiums in connection with the split dollar agreements for Jorge Mas.

STOCK PERFORMANCE GRAPH

The following graph compares the cumulative total shareholder return on MasTec's common stock from December 31, 1999 through December 31, 2004 with the cumulative total return of the Standard & Poor's 500 Stock Index and a company-constructed index of six peer companies consisting of Black Box Corp., Dycor Industries, Inc., International Fibercom, Inc., Quanta Services, Inc., Wireless Facilities Inc and LCC International. The graph assumes that the value of the investment in the common stock was \$100 on December 31, 1999, with the number of shares purchased for the \$100 investment determined based on the fair market value on that date and that all dividends were reinvested. This data is not necessarily indicative of future results.

AUDIT COMMITTEE AND AUDIT RELATED INFORMATION

Audit Committee Report

The Audit Committee of MasTec is composed of three directors, whom the Board of Directors, in the exercise of its reasonable business judgment, has determined meet the independence and experience requirements of the New York Stock Exchange and Securities and Exchange Commission rules and regulations. In 2004, the Audit Committee met twenty-eight times. The Audit Committee has adopted, and annually reviews, a charter, which provides the duties and obligations of the Audit Committee. In April 2005, the Board of Directors approved an amended charter for the Audit Committee, a copy of which is attached to this Proxy Statement as Appendix A.

The agenda of the Audit Committee is established by the Chairman of the Audit Committee. During the year 2004, at each of its meetings, the Audit Committee met with senior members of the financial management team. Members of the Audit Committee had private executive sessions, as appropriate, at its meetings, with MasTec's independent auditors for the purpose of discussing financial management, accounting and internal control issues.

The Audit Committee accepted the resignation of Ernst & Young, LLP who served as our independent registered public accountants through September 2004 following the completion of services related to the audit of MasTec's 2003 financial statements. The Audit Committee then engaged BDO Seidman, LLP as the independent auditor for MasTec for the year ended December 31, 2004 and reviewed with MasTec's financial management team and the independent auditors the scope of the annual audit plan, the results of their examination, the evaluation by the independent auditors of the internal control systems and MasTec's financial reporting.

The Audit Committee also discussed with the independent auditors the matters required to be reviewed by Statement on Auditing Standards No. 61 (Communications with Audit Committees), as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications), and reviewed the written disclosures and related correspondence from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit Committee reviewed and discussed with the independent auditors their independence from MasTec. In connection with discussions regarding independence, the Audit Committee also considered with the independent auditors whether the provision of nonaudit services by independent auditors to MasTec is compatible with the auditors' independence.

The Audit Committee has reviewed the audited financial statements contained in the Annual Report on Form 10-K with our management, including a discussion of the accounting principles, the reasonableness of judgments and estimates, the clarity of disclosure in the financial statements and the conformity of the consolidated financial statements of MasTec with generally accepted accounting principles.

In performing its functions, the Audit Committee acts in an oversight capacity. The Audit Committee relies on the work and assurances of MasTec's management, which has the primary responsibility for the financial statements and reports, and of the independent auditors, who, in their report, express an opinion on the conformity of our annual financial statements to generally accepted accounting principles.

In reliance on these reviews and discussions, and the report of the independent auditors, the Audit Committee has recommended to the Board of Directors and the Board of Directors has approved, the audited financial statements included in MasTec's Annual Report on Form 10-K for the year ended December 31, 2004.

Independent Public Accountants

On September 2, 2004, we filed a Current Report on Form 8-K (as amended on September 24, 2004) reporting that on August 30, 2004, Ernst & Young, LLP our independent registered public accountants would resign as our auditors following the completion of services related to the audit of MasTec North America, Inc. The Form 8-K reported that there were no disagreements between us and Ernst and Young, LLP involving any matters of accounting principles or practices, financial statement disclosure or auditing scope or procedure. On September 24, 2004 our Audit Committee engaged BDO Seidman, LLP to serve as our independent registered public accountants for the 2004 fiscal year. A representative from BDO Seidman, LLP is expected to attend the 2005 Annual Meeting of Shareholders and will have the opportunity to make a statement and answer questions.

Audit Fees

Fees for services rendered by our independent auditors, Ernst & Young, LLP for professional services rendered for the 2003 audit of our annual financial statements and review of financial statements included in quarterly reports on Form 10-Q totaled approximately \$2.7 million. Fees for services rendered by our independent auditors, BDO Seidman, LLP, for professional services rendered for the 2004 audit of our annual financial statements and review of financial statements included in quarterly reports on Form 10-Q in 2004 are estimated to be approximately \$2.5 million.

Audit Related Fees

Fees for 2003 audit related services, which are services that are reasonably related to the performance of the audit or review of quarterly financial statements, performed by Ernst & Young, LLP totaled \$108,325. Fees for 2004 audit related services, performed by BDO Seidman, LLP were \$14,000.

Tax Fees

Fees billed for tax services, including compliance, tax advice and tax planning, performed by Ernst & Young, LLP in 2003 totaled \$265,000. BDO Seidman, LLP did not perform tax services in 2004.

All Other Fees

Other services performed by Ernst and Young, LLP in 2003 amounted to \$1,500. There were no fees billed for other services in 2004 by BDO Seidman, LLP.

Pre-approval Policies

The Audit Committee pre-approves all auditing services and the terms of such services (which may include providing comfort letters in connection with securities underwritings) and non-audit services provided by our independent auditors, but only to the extent that the non-audit services are not prohibited under applicable law and the Audit Committee reasonably determines that the non-audit services do not impair the independence of the independent auditors. The authority to pre-approve non-audit services may be delegated to one or more members of the Audit Committee, who present all decisions to pre-approve an activity to the full Audit Committee at its first meeting following such decision.

The pre-approval requirement is waived with respect to the provision of non-audit services for MasTec if (i) the aggregate amount of all such non-audit services provided to MasTec constitutes not more than 5% of the total amount of revenues paid by MasTec to its independent auditors during the fiscal year in which such non-audit services were provided, (ii) such services were not recognized at the time of the engagement to be non-audit services, and (iii) such services are promptly brought to the attention of the Audit Committee or by one or more of its members to whom authority to grant such approvals has been delegated by the Audit Committee.

The Audit Committee has considered and determined that the provision of the non-audit services described above is compatible with maintaining the auditor's independence.

During 2004 and 2003, audit related services, tax services, and all other services to be provided by Ernst & Young, LLP and BDO Seidman, LLP were pre-approved by the Audit Committee.

Shareholders' Proposals for 2006 Annual Meeting

Under our bylaws, MasTec must receive any proposal from an eligible shareholder intended to be presented at the 2006 Annual Meeting of Shareholders, including any nomination proposal, on or before December 26, 2005, for the proposal to be eligible for inclusion in our Proxy Statement and Proxy related to that meeting. Any notice regarding a shareholder proposal must include the information specified in Article I, Section 9 of our bylaws. If a shareholder fails to comply with Article I, Section 9 of our bylaws or notifies MasTec after December 26, 2005 of an intent to present a proposal at MasTec's 2006 Annual Meeting of Shareholders, the proposal will not be considered. A copy of our bylaw requirements will be provided upon written request to: MasTec Legal Department, 800 S. Douglas Road, 12th Floor, Coral Gables, Florida, 33134.

Other Matters that May Come Before the Annual Meeting

The Board of Directors does not intend to present, and knows of no others who intend to present, at the Annual Meeting any matter or business other than that set forth in the accompanying Notice of Annual Meeting of Shareholders. If other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying form of proxy to vote any proxies on such matters in accordance with their judgment.

MasTec's Annual Report on Form 10-K for the year ended December 31, 2004 is being mailed or transmitted with this Proxy Statement to shareholders of record as of April 11, 2005. The Form 10-K does not form any part of the material for the solicitation of proxies.

The Committee will also prepare an audit committee report as required by the rules of the Securities and Exchange Commission to be included in the Company's annual proxy statement. Consistent with its functions, the Committee will encourage continuous improvement of, and will foster adherence to, the Company's policies, procedures and practices at all levels.

The Committee will primarily fulfill its responsibilities by carrying out the activities enumerated in Section 5 of this Charter.

As an oversight body, the Committee does not have responsibility for day-to-day operations and financial reporting. It is not the responsibility of the Committee to plan or conduct audits or to determine that the Corporation's financial statements are complete and accurate and are in accordance with generally accepted accounting principles; rather, this is the responsibility of management and the independent auditors.

2. COMPOSITION AND ORGANIZATION

The Committee will consist of three or more directors, each of whom must be an "Independent Director" (as defined below). Members of the Committee shall be appointed by the Board and, unless otherwise directed by the Board, shall serve one-year terms. Members may be removed by the Board at any time with or without cause. Upon the removal or resignation of a member, the Board may appoint a successor to serve the remainder of the unexpired term. The Board will appoint one member of the Committee as chairperson. If the Board fails to appoint a chairperson, the Committee will appoint one member of the Committee as chairperson. The Company shall have the power to create subcommittees with such powers as the Committee shall from time to time confer.

For purposes of this Charter, the term "Independent Director" means: a person whom the Board affirmatively determines has no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company). In addition, the following persons shall not be considered independent:

- o a director who is, or has been within the last three years, employed by the Company or whose immediate family member is, or has been within the last three years, an executive officer of the Company's;
- o a director who has received, or whose immediate family member has received, during any twelve-month period within the last three years, more than \$100,000 per year in direct compensation from the Company, other than director and committee fees and pension or other form of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service)
- o (A) a director who or whose immediate family member is a current partner of a firm that is the Company's internal or external auditor; (B) a director who is a current employee of such a firm; (C) a director whose immediate family member is a current employee of such a firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; or (D) a director who or whose immediate family member was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on the Company's audit within that time ;
- o a director who is, or has been within the last three years, employed, or whose immediate family member is, or has been within the last three years, employed, as an executive officer of another company where any of the Company's present executives serve on that company's compensation committee; or
- o a director who is an executive officer or an employee, or whose immediate family member is an executive officer of a company that makes payments to, or receives payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues.

Additionally, the following enhanced "Independent Director" requirement applies to members of the Audit Committee. The following persons will not be considered independent:

For purposes of this Charter, "immediate family member" means a person's spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law and anyone (other than domestic employees) who shares such person's house.

3. QUALIFICATIONS

Each member of the Committee must be able to read and understand fundamental financial statements, including the Company's balance sheet, income statement and cash flow statement. No director may serve as a member of the Committee if such director serves on the audit committees of more than two other public companies unless the Nominating and Governance Committee and the Board determine that such simultaneous service would not impair the ability of such director to effectively serve on the Committee and such determination is disclosed in the Company's annual proxy statement. Accordingly:

- o each member of the Committee shall be financially literate, as such qualification is interpreted by the Board in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Committee; and

COMPENSATION COMMITTEE CHARTER

CHARTER OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS OF MASTEC, INC.

1. PURPOSE

The Compensation Committee (the "Committee") of the Board of Directors (the "Board") of MasTec, Inc. (the "Company") shall assist the Board in discharging its responsibilities relating to the compensation of the Company's executive officers.
