

PROSPECTUS

Offer to Exchange

7⁵/₈% Senior Notes due 2017 For a Like Principal Amount of New 7⁵/₈% Senior Notes due 2017

MasTec, Inc. is offering to exchange up to \$150,000,000 aggregate principal amount of registered 7⁵/₈% Senior Notes due 2017, or the "New Notes," for a like principal amount of the outstanding, unregistered 7⁵/₈% Senior Notes due 2017, or the "Original Notes." The terms of the New Notes are substantially identical to the terms of the Original Notes, except that the New Notes are registered under the Securities Act of 1933, as amended, or the "Securities Act," and the transfer restrictions and registration rights and related additional interest provisions applicable to the Original Notes do not apply to the New Notes. The New Notes will represent the same debt as the Original Notes and we will issue the New Notes under the same indenture.

The exchange offer expires at 5:00 p.m., New York City time, on June 29, 2007, unless extended.

Terms of the Exchange Offer

- All Original Notes that are validly tendered and not validly withdrawn prior to the expiration of the exchange offer will be exchanged for New Notes.
- You may withdraw tendered Original Notes at any time prior to the expiration of the tender offer.
- The exchange of the Original Notes for the New Notes will not be a taxable event for U.S. federal income tax purposes.
- We will not receive any proceeds from the exchange offer.

The New Notes

- The New Notes are being offered in order to satisfy our obligations under the registration rights agreement entered in connection with the private offering of the outstanding Original Notes.
- The New Notes will be our general senior unsecured obligations.
- Substantially all of our domestic restricted subsidiaries will guarantee our obligations under the New Notes, including the payment of principal of, premium, if any, and interest on the New Notes. These guarantees of the New Notes will be senior unsecured obligations of the subsidiary guarantors. Additional subsidiary guarantors will be required to guarantee the New Notes, and the guarantees of the subsidiary guarantors will terminate, in each case in the circumstances described under "Description of the New Notes — Guarantees."
- No public market currently exists for the New Notes, and we do not intend to apply for listing on any securities exchange or to arrange for them to be quoted on any quotation system.

See "Risk Factors" beginning on page 8 for a discussion of matters that should be considered in connection with the exchange offer.

NEITHER THE SECURITIES AND EXCHANGE COMMISSION NOR ANY STATE SECURITIES COMMISSION HAS APPROVED OR DISAPPROVED OF THESE SECURITIES OR DETERMINED IF THIS PROSPECTUS IS TRUTHFUL OR COMPLETE. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

The date of this prospectus is May 29, 2007

We make statements in this prospectus and in the documents that we incorporate by reference into this prospectus that are forward-looking. When used in this prospectus or in any other presentation, statements which are not historical in nature, including the words “anticipate,” “estimate,” “could,” “should,” “may,” “plan,” “seek,” “expect,” “believe,” “intend,” “target,”

Table of Contents

“will,” “project” and similar expressions are intended to identify forward-looking statements. They also include statements regarding:

- our future growth and profitability;
- our competitive strengths; and
- our business strategy and the trends we anticipate in the industries and economies in which we operate.

These forward-looking statements are based on our current expectations and are subject to a number of risks, uncertainties and assumptions. These statements are not guarantees of future performance and are subject to risks, uncertainties and other factors, some of which are beyond our control, are difficult to predict, and could cause actual results to differ materially from those expressed or forecasted in the forward-looking statements. Important factors that could cause actual results to differ materially from those in forward-looking statements include:

- economic downturns, reduced capital expenditures, consolidation and technological and regulatory changes in the industries we serve;
- the ability of our customers to terminate or reduce the amount of work or in some cases prices paid for services under many of our contracts;
- market conditions, technical and regulatory changes in our customers’ industries;
- the highly competitive nature of our industry;
- our ability to attract and retain qualified managers and skilled employees;
- the seasonality and quarterly variations we experience in our revenue and profitability;
- our dependence on a limited number of customers;
- expectations concerning contingent events, including the expected outcome of claims, lawsuits and proceedings and our belief concerning regulatory compliance;
- the outcome of our plans for future operations, growth and services, including backlog and acquisitions;
- increases in fuel and labor costs;
- the restrictions imposed by our credit facility and the Notes; and
- the other factors referenced in this prospectus, including, without limitation, under “Risk Factors” and other information that is incorporated by reference from our Annual Report on Form 10-K.

We believe these forward-looking statements are reasonable; however, you should not place undue reliance on any forward-looking statements, which are based on current expectations. Furthermore, forward-looking statements speak only as of the date they are made. If any of these risks or uncertainties materialize, or if any of our underlying assumptions are incorrect, our actual results may differ significantly from the results that we express in or imply by any of our forward-looking statements. These and other risks are detailed in this prospectus, in the documents that we incorporate by reference into this prospectus and in other documents that we file with the SEC. We do not undertake any obligation to publicly update or revise these forward-looking statements after the date of this prospectus to reflect future events or circumstances. We qualify any and all of our forward-looking statements by these cautionary factors.

Summary of the Terms of the Exchange Offer

The following is a summary of the terms of the exchange offer. For a more complete description of the exchange offer, see “Exchange Offer.”

Background	On January 31, 2007, we completed a private placement of \$150,000,000 aggregate principal amount of the Original Notes. In connection with that private placement, we entered into a registration rights agreement for the Original Notes in which we agreed to, among other things, complete a registered exchange offer for the Original Notes. The registration rights agreement requires us to use our commercially reasonable efforts to cause this exchange offer to be completed by October 31, 2007. In the event this exchange offer is not completed by such date, we will be required to pay additional interest with respect to the Original Notes until the exchange offer is completed.
The Exchange Offer	We are offering to exchange the New Notes which have been registered under the Securities Act for a like principal amount of the outstanding, unregistered Original Notes. You may only tender Original Notes in integral multiples of \$1,000 principal amount. See “The Exchange Offer — Terms of the Exchange Offer.”
Expiration of the Exchange Offer	The exchange offer will expire at 5:00 p.m., New York City time, on June 29, 2007, or a later date and time to which we may extend it. We do not currently intend to extend the expiration of the exchange offer. See “The Exchange Offer — Expiration Date; Extensions; Amendments.”
Withdrawal of Tender	You may withdraw your tender of Original Notes in the exchange offer at any time before the expiration of the exchange offer. Any Original Notes not accepted for exchange for any reason will be returned without expense to you promptly after the expiration or termination of the exchange offer. See “The Exchange Offer — Withdrawal of Tenders.”
Exchange Date	The date of acceptance for exchange of the Original Notes is the exchange date, which will be as soon as practicable following the expiration date of the exchange offer. See “The Exchange Offer — Terms of the Exchange Offer.”
Issuance of New Notes	We will issue New Notes in exchange for Original Notes tendered and accepted in the exchange offer promptly following the exchange date. See “The Exchange Offer — Terms of the Exchange Offer.”
Conditions to the Exchange Offer	The exchange offer is subject to customary conditions, which we may assert or waive. See “Exchange Offer — Conditions.”
Procedures for Tendering Outstanding Original Notes	If you wish to participate in the exchange offer, you must complete, sign and date the accompanying letter of transmittal, or a facsimile of the letter of transmittal, according to the instructions contained in this prospectus and the letter of transmittal. You must then mail or otherwise deliver the letter of transmittal, or a facsimile of the letter of transmittal, together with the outstanding Original Notes and any other required documents, to the exchange agent

Special Procedures for Beneficial Owners	<p>at the address set forth on the cover page of the letter of transmittal. See “Exchange Offer — Procedures for Delivery.”</p> <p>If you are a beneficial owner whose Original Notes are registered in the name of a broker, dealer, commercial bank, trust company or other nominee, and you want to tender Original Notes in the exchange offer, you should contact the registered owner promptly and instruct the registered holder to tender on your behalf. If you wish to tender in the exchange offer on your own behalf, you must, before completing and executing the letter of transmittal and delivering your Original Notes, either make appropriate arrangements to register ownership of the Original Notes in your name or obtain a properly completed bond power from the registered holder. The transfer of registered ownership may take considerable time. See “Exchange Offer — Procedures for Tendering.”</p>
Guaranteed Delivery Procedures	<p>If you wish to tender your Original Notes, and time will not permit your required documents to reach the exchange agent by the expiration date, or the procedure for book-entry transfer cannot be completed on time, you may tender your Original Notes under the procedures described under “Exchange Offer — Guaranteed Delivery Procedures.”</p>
Resales	<p>Under existing interpretations of the Securities Act by the staff of the SEC contained in several no-action letters to third parties, and subject to the immediately following sentence, we believe that the New Notes will generally be freely transferable by holders after the exchange offer without further compliance with the registration and prospectus delivery requirements of the Securities Act, if:</p> <ul style="list-style-type: none">• you are not one of our “affiliates” as defined in Rule 405 under the Securities Act;• you are acquiring the New Notes in the ordinary course of your business; and• you have not engaged in, do not intend to engage in and have no arrangement or understanding with any person to participate in a distribution of the New Notes. <p>If you are our affiliate, or are engaging in, or intend to engage in, or have any arrangement or understanding with any person to participate in, a distribution of the New Notes, or are not acquiring the New Notes in the ordinary course of your business, you will not be able to rely on the interpretations of the staff of the SEC, will not be permitted to tender Original Notes in the exchange offer and, in the absence of any exemption, you must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale of the New Notes.</p> <p>Our belief that transfers of New Notes would be permitted without registration or prospectus delivery under the conditions described above is based on SEC interpretations given to other, unrelated issuers in similar exchange offers. We cannot assure you that the SEC would make a similar interpretation with respect to our</p>

	<p>exchange offer. We will not be responsible for or indemnify you against any liability you may incur under the Securities Act.</p> <p>If you are a broker-dealer and receive New Notes for your own account in exchange for Original Notes that you acquired as a result of market-making or other trading activity, you must acknowledge that you will deliver this prospectus in connection with any resale of the New Notes. See “Plan of Distribution.”</p> <p>We do not intend to list the New Notes on any securities exchange or for quotation on an automated dealer quotation system. Accordingly, there can be no assurance that an active market will develop for the New Notes upon completion of the exchange offer or, if developed, that such market will be sustained or as to the liquidity of any market.</p>
Consequences if You Do Not Exchange Original Notes	<p>Original Notes that are not tendered in the exchange offer or are not accepted for exchange will continue to bear legends restricting their transfer. You will not be able to offer or sell such Original Notes:</p> <ul style="list-style-type: none">• except pursuant to an exemption from the requirements of the Securities Act;• unless the Original Notes are registered under the Securities Act; or• if neither such registration nor such exemption is required by law. <p>After the exchange offer is closed, we will no longer have an obligation to register the Original Notes. See “Risk Factors — If you do not exchange your Original Notes, they may be difficult to resell.”</p>
Use of Proceeds	<p>We will not receive any cash proceeds from the exchange or issuance of the New Notes in connection with the exchange offer. See “Use of Proceeds.”</p>
Accounting Treatment	<p>We will not recognize any gain or loss for accounting purposes upon the completion of the exchange offer.</p>
Certain Tax Consequences	<p>The exchange pursuant to the exchange offer will not be a taxable event for U.S. Federal income tax consequences. See “United States Federal Income Tax Consequences.”</p>
Exchange Agent	<p>U.S. Bank, National Association is serving as exchange agent in connection with the exchange offer. The address and telephone number of the exchange agent are set forth in the section entitled, “Exchange Offer — Exchange Agent.”</p>

- the New Notes will not have the right to earn additional interest under circumstances relating to our registration obligations.

We may not have sufficient funds available at the time of a change of control to repurchase the New Notes.</p> <p>Substantially all of our domestic restricted subsidiaries existing on the issue date will guarantee the New Notes. In addition, our future wholly-owned domestic restricted subsidiaries, subject to certain exceptions, and certain future non-wholly-owned restricted subsidiaries, in each case, that guarantee any credit facility of MasTec or of any other restricted subsidiary will guarantee the New Notes. Each subsidiary guarantor will provide a guarantee of the payment of the principal, premium and interest on the New Notes on a senior unsecured basis.</p>
Ranking	<p>The New Notes will:</p> <ul style="list-style-type: none">• be general senior unsecured obligations of MasTec;• rank equal in right of payment with all existing and future unsubordinated indebtedness of MasTec;• rank senior in right of payment to all existing and future subordinated indebtedness of MasTec;• be effectively junior to all of the obligations, including trade payables, of the subsidiaries of MasTec (other than the subsidiary guarantors); and• be effectively subordinated to all secured indebtedness of MasTec to the extent of the value of the assets securing such indebtedness. <p>The guarantees will:</p> <ul style="list-style-type: none">• be general senior unsecured obligations of the subsidiary guarantors;• rank equal in right of payment with all existing and future unsubordinated indebtedness of the subsidiary guarantors;• rank senior in right of payment with all future subordinated indebtedness of the subsidiary guarantors; and• be effectively subordinated to all secured indebtedness of the subsidiary guarantors to the extent of the value of the assets securing such indebtedness. <p>as of March 31, 2007:</p> <ul style="list-style-type: none">• MasTec and the initial guarantors had \$9.6 million of consolidated indebtedness outstanding, other than the Notes, substantially all of which would have been capital lease obligations which are generally secured by liens on the assets being leased and which would have been senior indebtedness, and• Our subsidiaries that are not guarantors had approximately \$13.3 million of liabilities outstanding. <p>In the years ended December 31, 2006 and 2005 and the three months ended March 31, 2007, our non-guarantor subsidiaries represented 3.6%, 3.5% and 3.5% of our consolidated revenues,</p>

Certain Covenants	<p>respectively, and 2.7%, (2.2)% and 9.0% of our consolidated income from continuing operations, respectively. At March 31, 2007, our non-guarantor subsidiaries had total assets of approximately \$16.1 million.</p> <p>Our Credit Agreement is secured by substantially all of the assets of MasTec and its subsidiaries. The New Notes will be effectively subordinated to such indebtedness to the extent of such security interests.</p> <p>The indenture governing the New Notes limits our ability and the ability of our restricted subsidiaries to, among other things:</p> <ul style="list-style-type: none">• incur additional debt and issue preferred stock;• create liens;• pay dividends, acquire shares of capital stock, make payments on subordinate debt or make investments;• place limitations on distributions from restricted subsidiaries;• issue guarantees;• issue or sell the capital stock of restricted subsidiaries;• sell or exchange assets;• enter into transactions with affiliates; and• effect mergers. <p>These covenants are subject to a number of important exceptions and qualifications. Additionally, upon the first date that the Notes have investment grade ratings from Moody's and S&P, we and our restricted subsidiaries will cease to be subject to certain of these covenants. See "Description of the New Notes."</p>
Absence of Public Market for the New Notes	<p>The New Notes will generally be freely transferable but will be a new issue of securities for which there is currently no established market. Accordingly, there can be no assurance as to the development or liquidity of any market for the New Notes. The placement agent in the private offering of the outstanding Original Notes has advised us that they currently intend to make a market in the New Notes. However, they are not obligated to do so and any market making with respect to the New Notes may be discontinued without notice. We do not intend to apply for a listing of the New Notes on any securities exchange or an automated dealer quotation system.</p>
Risk Factors	<p>See "Risk Factors" beginning on page 8 for a discussion of factors you should carefully consider before deciding to exchange your Original Notes for New Notes.</p>

RISK FACTORS

You should carefully consider the risk factors set forth below as well as the Risk Factors contained in our most recent annual report on Form 10-K, as updated or supplemented by subsequent quarterly reports on Form 10-Q and current reports on Form 8-K to the extent filed, each of which are incorporated herein by reference and all other information contained in or incorporated by reference in this prospectus, including our consolidated financial statements and related notes, before deciding to exchange the Original Notes. The risks described below are not the only risks facing us. Additional risks and uncertainties not currently known to us or that we currently deem to be immaterial may also materially and adversely affect our business operations. Any of the following risks could materially adversely affect our business, financial condition or results of operations. In such case, you may lose all or part of your original investment.

Risks Related to the New Notes and the Exchange Offer

Our substantial debt could adversely affect our cash flow and prevent us from fulfilling our obligations under the New Notes.

We have a significant amount of debt currently outstanding. As of March 31, 2007, we had approximately \$160.1 million of total debt.

Our substantial amount of debt could have important consequences to you. For example, it could:

- make it more difficult for us to satisfy our obligations under the New Notes;
- increase our vulnerability to general adverse economic and industry conditions;
- require us to dedicate a substantial portion of our cash flow from operations to make interest and principal payments on our debt, thereby limiting the availability of our cash flow to fund future capital expenditures, working capital and other general corporate requirements;
- limit our flexibility in planning for, or reacting to, changes in our business and in the industries that we service;
- place us at a competitive disadvantage compared with competitors that have less debt; and
- limit our ability to borrow additional funds, even when necessary to maintain adequate liquidity.

In addition, a substantial portion of our available borrowings bear interest at variable rates. If market interest rates increase, variable-rate debt will create higher debt service requirements, which could adversely affect our cash flow. While we may enter into agreements limiting our exposure to higher interest rates, any such agreements may not offer complete protection from this risk.

Despite our current levels of debt, we may still be able to incur substantially more debt. This could further exacerbate the risks associated with our substantial debt.

We may be able to incur additional debt in the future. The terms of our revolving credit facility and the indenture governing the New Notes will allow us to incur substantial amounts of additional debt, subject to certain limitations. If new debt is added to our current debt levels, the related risks we could face would be magnified.

Although these New Notes are referred to as “senior notes,” they will be effectively subordinated to our and the subsidiary guarantors’ secured debt.

The New Notes, and each guarantee of the New Notes, are unsecured and therefore will be effectively subordinated to any secured debt we, or the relevant guarantor, may incur to the extent of the value of the assets securing such debt. In the event of a bankruptcy or similar proceeding involving us or a guarantor, the assets which serve as collateral for any secured debt will be available to satisfy the obligations under the secured debt before any payments are made on the New Notes. The New Notes will be effectively subordinated to any borrowings under our revolving credit facility and our other secured debt.

Not all of our subsidiaries will guarantee the New Notes, and the assets of our non-guarantor subsidiaries may not be available to make payments on the New Notes.

The guarantors of the New Notes will not include all of our subsidiaries. In particular, one of our existing domestic subsidiaries and each of our existing subsidiaries that is a foreign subsidiary will not guarantee the New Notes. Additionally, our future restricted subsidiaries will only be required to guarantee the New Notes if they also guarantee any credit facility of MasTec or any other restricted subsidiary, they are not foreign subsidiaries, they are not receivables entities and they are wholly owned by us (subject to certain limited exceptions). Payments on the New Notes are only required to be made by us and the subsidiary guarantors. As a result, no payments are required to be made from assets of subsidiaries that do not guarantee the New Notes, unless those assets are transferred by dividend or otherwise to us or a subsidiary guarantor. In 2006, our non-guarantor subsidiaries had revenues of approximately \$33.7 million, or 3.6% of our consolidated 2006 revenues, and income from continuing operations before income taxes of approximately \$1.0 million, or 2.7% of our consolidated 2006 income from continuing operations before income taxes. During the three month period ended March 31, 2007, our non-guarantor subsidiaries had revenues of approximately \$8.4 million or 3.5% of our consolidated revenues for the first quarter of 2007, and income from continuing operations of approximately \$0.6 million, or approximately 9.0% of our consolidated first quarter 2007 income from continuing operations before income taxes.

In the event that any non-guarantor subsidiary becomes insolvent, liquidates, reorganizes, dissolves or otherwise winds up, holders of its debt and its trade creditors generally will be entitled to payment on their claims from the assets of that subsidiary before any of those assets are made available to us. Consequently, your claims in respect of the New Notes will be effectively subordinated to all of the liabilities of our non-guarantor subsidiaries, including trade payables. As of March 31, 2007, our non-guarantor subsidiaries had approximately \$13.3 million of liabilities outstanding.

MasTec, Inc. is a holding company and it may not have access to the cash flow and other assets of its subsidiaries that may be needed to make payment on the New Notes.

MasTec, Inc. is a holding company and it conducts substantially all of its operations through its subsidiaries. Consequently, it does not have any income from operations and does not expect to generate income from operations in the future. As a result, its ability to meet its debt service obligations, including its obligations under the New Notes, substantially depends upon its subsidiaries' cash flow and payment of funds to it by its subsidiaries as dividends, loans, advances or other payments. In addition, the payment of dividends or the making of loans, advances or other payments to MasTec, Inc. may be subject to regulatory or contractual restrictions.

To service our debt, we will require a significant amount of cash, which may not be available to us.

Our ability to make payments on, or repay or refinance, our debt, including the New Notes, and to fund planned capital expenditures, will depend largely upon our future operating performance. Our future performance, to a certain extent, is subject to general economic, financial, competitive, legislative, regulatory and other factors that are beyond our control. In addition, our ability to borrow funds in the future to make payments on our debt will depend on the satisfaction of the covenants in our revolving credit facility and our other debt agreements, including the indenture governing the New Notes, and other agreements we may enter into in the future. Specifically, we will need to maintain certain financial ratios. We cannot assure you that our business will generate sufficient cash flow from operations or that future borrowings will be available to us under our revolving credit facility or from other sources in an amount sufficient to enable us to pay our debt, including the New Notes, or to fund our other liquidity needs.

Our credit agreements and the indenture governing the New Notes may restrict, or market or business conditions may limit, our ability to do some of these things.

The agreements governing our debt, including the New Notes and our revolving credit facility, contain various covenants that impose restrictions on us that may affect our ability to operate our business and to make payments on the New Notes.

Our existing agreements impose and future financing agreements are likely to impose operating and financial restrictions on our activities. These restrictions require us to comply with or maintain certain financial tests and

- incur additional debt and issue preferred stock;
- create liens;
- redeem and/or prepay certain debt;
- pay dividends on our stock or repurchase stock;
- make certain investments;
- engage in consolidations, mergers and acquisitions; and
- make certain investments.

These restrictions on our ability to operate our business could seriously harm our business by, among other things, limiting our ability to take advantage of financing, merger and acquisition and other corporate opportunities.

Various risks, uncertainties and events beyond our control could affect our ability to comply with these covenants and maintain these financial tests and ratios. Failure to comply with any of the covenants in our existing or future financing agreements could result in a default under those agreements and under other agreements containing cross-default provisions. A default would permit lenders to accelerate the maturity for the debt under these agreements and to foreclose upon any collateral securing the debt. Under these circumstances, we might not have sufficient funds or other resources to satisfy all of our obligations, including our obligations under the New Notes. In addition, the limitations imposed by financing agreements on our ability to incur additional debt and to take other actions might significantly impair our ability to obtain other financing.

The guarantees may not be enforceable because of fraudulent conveyance laws.

The guarantors' guarantees of the New Notes may be subject to review under federal bankruptcy law or relevant state fraudulent conveyance laws if a bankruptcy lawsuit is commenced by or on behalf of our or the guarantors' unpaid creditors. Under these laws, if in such a lawsuit a court were to find that, at the time a guarantor incurred debt (including debt represented by the guarantee), such guarantor:

- incurred this debt with the intent of hindering, delaying or defrauding current or future creditors;
- received less than reasonably equivalent value or fair consideration for incurring this debt and the guarantor;
- was insolvent or was rendered insolvent by reason of the related financing transactions;
- was engaged, or about to engage, in a business or transaction for which its remaining assets constituted unreasonably small capital to carry on its business; or
- intended to incur, or believed that it would incur, debts beyond its ability to pay these debts as they mature, as all of the foregoing terms are defined in or interpreted under the relevant fraudulent transfer or conveyance statutes;

then the court could void the guarantee or subordinate the amounts owing under the guarantee to the guarantor's presently existing or future debt or take other actions detrimental to you.

The measure of insolvency for purposes of the foregoing considerations will vary depending upon the law of the jurisdiction that is being applied in any such proceeding. Generally, an entity would be considered insolvent if, at the time it incurred the debt or issued the guarantee:

- it could not pay its debts or contingent liabilities as they become due;
- the sum of its debts, including contingent liabilities, is greater than its assets, at fair valuation; or
- the present fair saleable value of its assets is less than the amount required to pay the probable liability on its total existing debts and liabilities, including contingent liabilities, as they become absolute and mature.

If a guarantee is voided as a fraudulent conveyance or found to be unenforceable for any other reason, you will not have a claim against that obligor and will only be our creditor or that of any guarantor whose obligation was not set aside or found to be unenforceable. In addition, the loss of a guarantee will constitute a default under the indenture, which default would cause all outstanding New Notes to become immediately due and payable.

We believe that, at the time the guarantors initially incur the debt represented by the guarantees under the New Notes, the guarantors:

- will not be insolvent or rendered insolvent by the incurrence;
- will have sufficient capital to run our or their businesses effectively; and
- will be able to pay obligations on the New Notes and the guarantees as they mature or become due.

In reaching the foregoing conclusions we have relied upon our analyses of internal cash flow projections and estimated values of the assets and liabilities of the guarantors. In addition, we have relied on a limitation to be contained in the guarantors' guarantees that limits each guarantee as necessary to prevent it from constituting a fraudulent conveyance under applicable law; however, a court passing on these questions might not reach the same conclusions.

We may be unable to make a change of control offer required by the indenture governing the New Notes, which would cause defaults under the indenture governing the New Notes, our revolving credit facility and our other financing arrangements.

The terms of the New Notes will require us to make an offer to repurchase the New Notes upon the occurrence of a change of control at a purchase price equal to 101% of the principal amount of the New Notes, plus accrued interest to the date of the purchase. The terms of our revolving credit facility will require, and other financing arrangements may require, repayment of amounts outstanding in the event of a change of control and limit our ability to fund the repurchase of your New Notes in certain circumstances. It is possible that we will not have sufficient funds at the time of the change of control to make the required repurchase of New Notes or that restrictions in our revolving credit facility and other financing agreements will not allow the repurchases. See "Description of the New Notes — Repurchase of New Notes upon a Change of Control."

An active public market may not develop for the New Notes, which may hinder your ability to liquidate your investment.

The New Notes are a new issue of securities with no established trading market, and we do not intend to list them on any securities exchange or for quotation on an automated dealer quotation system. The placement agent in the private offering of the outstanding Original Notes has advised us that they currently intend to make a market in the New Notes. However, they are not obligated to do so and any market making with respect to the New Notes may be discontinued without notice.

The liquidity of any market for the New Notes will depend upon various factors, including:

- the number of holders of the New Notes;
- the interest of securities dealers in making a market for the New Notes;

- the overall market for fixed income securities;
- our financial performance and prospects; and
- the prospects for companies in our industry generally.

As a result, we cannot assure you that an active trading market will develop for the New Notes. If no active trading market develops, you may not be able to resell your New Notes at their fair market value or at all.

If you do not exchange your Original Notes, they may be difficult to resell.

It may be difficult for you to sell Original Notes that are not exchanged in the exchange offer or that we do not accept for exchange, since any Original Notes not exchanged will continue to be subject to the restrictions on transfer described in the legend on the global security representing the outstanding Original Notes. These restrictions on transfer exist because we issued the Original Notes pursuant to an exemption from the registration requirements of the Securities Act and applicable state securities laws. Generally, the Original Notes that are not exchanged for New Notes will remain restricted securities. Accordingly, those Original Notes may not be offered or sold, unless registered under the Securities Act and applicable state securities laws, except pursuant to an exemption from, or in a transaction not subject to, the Securities Act and applicable state securities laws.

You may not receive the New Notes in the exchange offer if the exchange offer procedures are not properly followed.

We will issue the New Notes in exchange for your Original Notes only if you properly tender the Original Notes before expiration of the exchange offer. Neither we nor the exchange agent are under any duty to give notification of defects or irregularities with respect to the tenders of the Original Notes for exchange. If you are the beneficial holder of Original Notes that are held through your broker, dealer, commercial bank, trust company or other nominee, and you wish to tender such Notes in the exchange offer, you should promptly contact the person through whom your Original Notes are held and instruct that person to tender on your behalf.

Broker-dealers may become subject to the registration and prospectus delivery requirements of the Securities Act and any profit on the resale of the New Notes may be deemed to be underwriting compensation under the Securities Act.

Any broker-dealer that acquires New Notes in the exchange offer for its own account in exchange for Original Notes which it acquired through market-making or other trading activities must acknowledge that it will comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale transaction by that broker-dealer. Any profit on the resale of the New Notes and any commission or concessions received by a broker-dealer may be deemed to be underwriting compensation under the Securities Act.

USE OF PROCEEDS

We will not receive cash proceeds from the issuance of the New Notes under the exchange offer. In consideration for issuing the New Notes for Original Notes as described in this prospectus, we will receive Original Notes in like principal amount. The Original Notes surrendered in exchange for the New Notes will be retired and cancelled.

RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth our consolidated ratios of earnings to fixed charges on a historical basis:

	Year Ended December 31,					Three Months Ended March 31,	
	2006	2005	2004	2003	2002	2007	2006
Ratio of earnings to fixed charges	2.1x	1.6x	0.5x	0.3x	(3.4)x	1.8x	1.4x

For the years ended December 31, 2004, 2003 and 2002, we had an earnings-to-fixed charges coverage deficiency of approximately \$17.4 million, \$20.8 million and \$123.6 million, respectively.

Earnings included in the calculation of this ratio consist of income (loss) from continuing operations before adjusting for minority interest in consolidated subsidiaries or income or loss from equity investments plus fixed charges. Fixed charges included in the calculation of this ratio consist of interest expense, whether expensed or capitalized, and the interest portion of rental expense inherent in our operating leases.

DESCRIPTION OF THE NEW NOTES

The Original Notes were, and the New Notes will be, issued under the Indenture, dated as of January 31, 2007, among MasTec Inc., the Initial Subsidiary Guarantors, and U.S. Bank, National Association, as trustee (the “Trustee”). The terms of the New Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended, or TIA. The Original Notes and the New Notes are hereinafter referred to collectively as the “Notes.”

The following is a summary of the material provisions of the Indenture but does not restate the Indenture in its entirety. This summary does not purport to be complete and is subject to, and qualified in its entirety by reference to, all the provisions of the Indenture, including the definitions of certain terms in the Indenture. We urge you to read the Indenture because it may contain additional information and it, and not this description, defines MasTec Inc.’s obligations and your rights as holders of the Notes. A copy of the Indenture is available upon request from MasTec Inc. and has also been publicly filed as an exhibit to one of our Exchange Act reports. For purposes of this “Description of the New Notes,” the term “Issuer” or “MasTec” means MasTec, Inc. and its successors under the Indenture, excluding its subsidiaries; the term “Notes” refers to both the Original Notes and the New Notes that will be exchanged for Original Notes in the exchange offer; and we refer to each of MasTec, Inc. and each Subsidiary Guarantor individually as an “Obligor” and to MasTec, Inc. and all Subsidiary Guarantors collectively as “Obligors.”

General

The New Notes will be general senior unsecured obligations of MasTec up to \$150.0 million aggregate principal amount. The New Notes will mature on February 1, 2017. Subject to the covenants described below under “— Covenants” and applicable law, MasTec may issue additional Notes, or “Additional Notes” under the Indenture. Additional Notes may be issued in a public or private transaction with or without registration rights. The Original Notes, the New Notes offered hereby, and any Additional Notes will be treated as a single class for all purposes under the Indenture.

The New Notes will initially bear interest at $7\frac{5}{8}\%$ per annum. Interest on the Notes will be payable semiannually on February 1 and August 1 of each year, commencing August 1, 2007. Interest will be paid to Holders of record at the close of business on the January 15 or July 15 immediately preceding the interest payment date. Interest is computed on the basis of a 360-day year of twelve 30-day months on a U.S. corporate bond basis.

The Notes may be exchanged or transferred at the office or agency of MasTec in The Borough of Manhattan, The City of New York. Initially, the corporate trust office of the Trustee in The Borough of Manhattan, The City of New York will serve as such office. If you give MasTec wire transfer instructions, the Issuer will pay all principal, premium and interest on your Notes in accordance with your instructions. If you do not give MasTec wire transfer instructions, payments of principal, premium and interest will be made at the office or agency of the paying agent which will initially be the Trustee, unless MasTec elects to make interest payments by check mailed to the Holders.

The Notes will be issued only in fully registered form, without coupons, in denominations of \$1,000 of principal amount and multiples of \$1,000 in excess thereof. See “— Book-Entry; Delivery and Form.” No service charge will be made for any registration of transfer or exchange of Notes, but MasTec may require payment of a sum sufficient to cover any transfer tax or other similar governmental charge payable in connection therewith.

Optional Redemption

The Issuer may redeem the Notes, in whole or in part, at any time on or after February 1, 2012. The redemption price for the Notes (expressed as a percentage of principal amount) will be as follows, plus

Table of Contents

accrued and unpaid interest, if any, to the redemption date, if redeemed during the 12-month period commencing on February 1 of any year set forth below:

<u>Year</u>	<u>Redemption Price</u>
2012	103.813%
2013	102.542%
2014	101.271%
2015 and thereafter	100.000%

In addition, at any time prior to February 1, 2010, MasTec may redeem up to 35% of the principal amount of the Notes with the Net Cash Proceeds of one or more sales of Capital Stock (other than Disqualified Stock) of MasTec at a redemption price (expressed as a percentage of principal amount) of 107.625%, plus accrued and unpaid interest to the redemption date; provided that at least 65% of the aggregate principal amount of the Notes originally issued on the Closing Date remains outstanding after each such redemption (excluding Notes held by MasTec and its Subsidiaries) and notice of any such redemption is mailed within 60 days of each such sale of Capital Stock.

In addition, at any time prior to February 1, 2012, MasTec may redeem all or a part of the Notes at a redemption price equal to 100% of the principal amount of Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, to, the redemption date, subject to the rights of holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

The Issuer will give not less than 30 days' nor more than 60 days' notice of any redemption. If less than all of the Notes are to be redeemed, selection of the Notes for redemption will be made by the Trustee:

- in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed, or
- if the Notes are not listed on a national securities exchange, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate.

However, no Note of \$1,000 in principal amount or less shall be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A New Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the Original Note.

Guarantees

Payment of the principal of, premium, if any, and interest on the Notes will be Guaranteed, jointly and severally, on an unsecured unsubordinated basis by each Restricted Subsidiary (other than a Foreign Subsidiary and GlobeTec Construction, LLC) existing on the Closing Date. In addition, each future Wholly Owned Restricted Subsidiary (or any Restricted Subsidiary that is not Wholly Owned if such Restricted Subsidiary guarantees other capital markets debt securities of MasTec or of any other Restricted Subsidiary) that Guarantees any Credit Facility of MasTec or of any other Restricted Subsidiary (other than a Foreign Subsidiary, a Receivables Entity and GlobeTec Construction, LLC) will Guarantee the payment of the principal of, premium, if any, and interest on the Notes.

The obligations of each Subsidiary Guarantor under its Note Guarantee will be limited so as not to constitute a fraudulent conveyance under applicable Federal or state laws. Each Subsidiary Guarantor that makes a payment or distribution under its Note Guarantee will be entitled to contribution from any other Subsidiary Guarantor or MasTec, as the case may be.

The Note Guarantee issued by any Subsidiary Guarantor will be automatically and unconditionally released and discharged upon (1) any sale, exchange or transfer to any Person (other than an Affiliate of MasTec) of Capital Stock of such Subsidiary Guarantor so that such Subsidiary Guarantor is no longer a Restricted Subsidiary, or upon the designation of such Subsidiary Guarantor as an Unrestricted Subsidiary, in each case in compliance with the terms of the Indenture, or (2) the release or discharge of the Guarantee

which resulted in the creation of such Note Guarantee, except a discharge or release by or as a result of payment under such Guarantee.

Ranking

The Notes will:

- be general senior unsecured obligations of MasTec;
- rank equal in right of payment with all existing and future unsubordinated indebtedness of MasTec;
- rank senior in right of payment to all existing and future subordinated indebtedness of MasTec;
- be effectively junior to all of the obligations, including trade payables, of the Subsidiaries of MasTec (other than Subsidiary Guarantors); and
- be effectively subordinated to all secured indebtedness of MasTec to the extent of the value of the assets securing such indebtedness.

The Note Guarantees will:

- be general senior unsecured obligations of the Subsidiary Guarantors;
- rank equal in right of payment with all existing and future unsubordinated indebtedness of the Subsidiary Guarantors;
- rank senior in right of payment with all future subordinated indebtedness of the Subsidiary Guarantors; and
- be effectively subordinated to all secured indebtedness of the Subsidiary Guarantors to the extent of the value of the assets securing such indebtedness.

As of March 31, 2007, (i) MasTec and the Initial Subsidiary Guarantors had \$9.6 million of consolidated indebtedness outstanding, other than the Notes, substantially all of which would have been capital lease obligations which are generally secured by Liens on the assets being leased and which would have been senior indebtedness and (ii) the Subsidiaries of MasTec that are not Subsidiary Guarantors had approximately \$13.3 million of liabilities outstanding. The Credit Agreement is secured by substantially all of the assets of MasTec and its Subsidiaries. The Notes will be effectively subordinated to such indebtedness to the extent of such security interests.

In the years ended December 31, 2006 and 2005, our non-guarantor subsidiaries had revenues of approximately \$33.7 million and \$30.1 million, respectively, or 3.6% and 3.5% of our consolidated 2006 and 2005 revenues, respectively, and income (loss) from continuing operations before income taxes of approximately \$1.0 million and \$(0.4) million, or 2.7% and (2.2)% of our consolidated 2006 and 2005 income from continuing operations before income taxes, respectively. Similarly, at December 31, 2006, our non-guarantor subsidiaries had total assets of approximately \$13.9 million. During the three month period ended March 31, 2007, our non-guarantor subsidiaries had revenues of approximately \$8.4 million or 3.5% of our consolidated revenue for the first quarter of 2007, and income from operations of approximately \$0.6 million, or approximately 9.0% of our consolidated first quarter 2007 income from continuing operations before income taxes. As of March 31, 2007, our non-guarantor subsidiaries had total assets of approximately \$16.1 million.

Sinking Fund

There will be no sinking fund payments for the Notes.

Covenants

Overview

In the Indenture, MasTec has agreed to covenants that limit its and its Restricted Subsidiaries' ability, among other things, to:

- incur additional debt and issue preferred stock;
- pay dividends, acquire shares of capital stock, make payments on subordinated debt or make investments;
- place limitations on distributions from Restricted Subsidiaries;
- issue or sell the capital stock of Restricted Subsidiaries;
- issue guarantees;
- sell or exchange assets;
- enter into transactions with affiliates;
- create liens; and
- effect mergers.

In addition, if a Change of Control occurs, each Holder of Notes will have the right to require MasTec to repurchase all or a part of the Holder's Notes at a price equal to 101% of their principal amount, plus any accrued interest to the date of repurchase.

Covenant Termination

Upon the first date that:

- (a) the Notes have Investment Grade Ratings from both Rating Agencies; and
- (b) no Default or Event of Default has occurred and is continuing under the Indenture,

MasTec and its Restricted Subsidiaries will cease to be subject to the following provisions of the Indenture:

- "Limitation on Indebtedness and Issuance of Preferred Stock";
- "Limitation on Restricted Payments";
- "Limitation on Dividend and Other Payment Restrictions Affected Restricted Subsidiaries";
- "Limitation on Transactions with Affiliates";
- "Limitation on Asset Sales"; and
- clause (3) of the first paragraph of "Consolidation, Merger and Sale of Assets";

in which event, each of MasTec's Subsidiaries will become a Restricted Subsidiary.

Limitation on Indebtedness and Issuance of Preferred Stock

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, Incur any Indebtedness, and MasTec will not permit any of its Restricted Subsidiaries to issue any preferred stock; provided, however, that MasTec may Incur Indebtedness (including, without limitation, Acquired Indebtedness), any Restricted Subsidiary may Incur Acquired Indebtedness, and any Subsidiary Guarantor may Incur Indebtedness or issue preferred stock if, after giving effect to the Incurrence of such Indebtedness or issuance of preferred stock and the receipt and application of the proceeds therefrom, the Fixed Charge Coverage Ratio would be greater than 2.0:1.0.

Notwithstanding the foregoing, MasTec and any Restricted Subsidiary (except as specified below) may Incur each and all of the following:

(1) Indebtedness under Credit Facilities in an aggregate principal amount at any one time outstanding under this clause (1) (together with refinancings, replacements or amendments thereof) not to exceed the greater of (a) \$200.0 million less any amount of such Indebtedness permanently repaid as provided under the “Limitation on Asset Sales” covenant, or (b) the Borrowing Base of MasTec and its Restricted Subsidiaries on a consolidated basis;

(2) Indebtedness owed (A) to MasTec or any Subsidiary Guarantor that is not subordinated in right of payment to any other Indebtedness of MasTec or such Subsidiary Guarantor, as the case may be, or (B) to any other Restricted Subsidiary; provided that (x) any event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any subsequent transfer of such Indebtedness (other than to MasTec or another Restricted Subsidiary) shall be deemed, in each case, to constitute an Incurrence of such Indebtedness not permitted by this clause (2) and (y) if MasTec or any Subsidiary Guarantor is the obligor on such Indebtedness, such Indebtedness must be expressly subordinated in right of payment to the Notes, in the case of MasTec, or the Note Guarantee, in the case of a Subsidiary Guarantor;

(3) Indebtedness issued in exchange for, or the net proceeds of which are used to refinance, repay, repurchase or refund, then outstanding Indebtedness (other than the Existing Notes and Indebtedness outstanding under clauses (1), (2), (6), (7) and (9) and any refinancings thereof) in an amount not to exceed the amount so refinanced, repaid, repurchased or refunded (plus premiums, accrued interest, fees and expenses); provided that (a) Indebtedness, the proceeds of which are used to refinance, repay, repurchase or refund the Notes, or Indebtedness that is pari passu with, or subordinated in right of payment to, the Notes or a Note Guarantee, shall only be permitted under this clause (3) if (x) in case the Notes are refinanced, repaid, repurchased or refunded in part or the Indebtedness to be refinanced, repaid, repurchased or refunded is pari passu with the Notes or a Note Guarantee, such new Indebtedness, by its terms or by the terms of any agreement or instrument pursuant to which such new Indebtedness is outstanding, is expressly made pari passu with, or subordinate in right of payment to, the remaining Notes or the Note Guarantee, or (y) in case the Indebtedness to be refinanced, repaid, repurchased or refunded is subordinated in right of payment to the Notes or a Note Guarantee, such new Indebtedness, by its terms or by the terms of any agreement or instrument pursuant to which such new Indebtedness is issued or remains outstanding, is expressly made subordinate in right of payment to the Notes or the Note Guarantee at least to the extent that the Indebtedness to be refinanced, repaid, repurchased or refunded is subordinated to the Notes or the Note Guarantee, (b) such new Indebtedness, determined as of the date of Incurrence of such new Indebtedness, does not mature prior to the Stated Maturity of the Indebtedness to be refinanced, repaid, repurchased or refunded, and the Average Life of such new Indebtedness is at least equal to the remaining Average Life of the Indebtedness to be refinanced, repaid, repurchased or refunded and (c) such new Indebtedness is Incurred by MasTec or a Subsidiary Guarantor or by the Restricted Subsidiary that is the obligor on the Indebtedness to be refinanced, repaid, repurchased or refunded;

(4) Indebtedness of MasTec, to the extent the net proceeds thereof are promptly (A) used to purchase Notes tendered in an Offer to Purchase made as a result of a Change in Control or (B) deposited to defease the Notes as described under “Defeasance” or repay the Notes as described under “— Satisfaction and Discharge”;

(5) Guarantees of the Notes and Guarantees of Indebtedness of MasTec or any Restricted Subsidiary of MasTec by any other Restricted Subsidiary of MasTec; provided the Guarantee of such Indebtedness is permitted by and made in accordance with the “Limitation on Issuance of Guarantees by Restricted Subsidiaries” covenant;

(6) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently drawn against insufficient funds in the ordinary course of business provided, however, that such Indebtedness is extinguished within five business days of incurrence;

(7) Indebtedness of MasTec or any of its Restricted Subsidiaries represented by Capitalized Lease Obligations, mortgage financings or purchase money obligations, in each case, Incurred by MasTec or any of its Restricted Subsidiaries for the purpose of financing all or any part of the purchase price or cost of design, construction, installation or improvement of property (real or personal), plant or equipment used or useful in a Permitted Business, in an aggregate principal amount, including all Indebtedness Incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness Incurred pursuant to this clause (7), not to exceed 5.0% of MasTec's Consolidated Net Assets at any time outstanding;

(8) Indebtedness incurred by a Foreign Subsidiary (or one or more Foreign Subsidiaries) in an aggregate amount at any time outstanding under this clause (8) not to exceed 50% of the Consolidated Net Assets of any such Foreign Subsidiary (or group of Foreign Subsidiaries, as applicable), provided, that after giving effect to the Incurrence of such Indebtedness and the application of the net proceeds therefrom, the Fixed Charge Coverage Ratio would be greater than 2.0:1.0;

(9) Indebtedness incurred in a Qualified Receivables Transaction that is without recourse to MasTec or to any other Subsidiary of MasTec or their assets (other than a Receivables Entity and its assets and, as to MasTec or any Subsidiary of MasTec, other than pursuant to Standard Receivables Undertakings) and is not guaranteed by any such Person;

(10) the Notes and the Note Guarantees Incurred on the Closing Date and other Indebtedness existing on the Closing Date; and

(11) additional Indebtedness of MasTec or any Restricted Subsidiary (in addition to Indebtedness permitted under clauses (1) through (10) above) in an aggregate principal amount outstanding at any time (together with refinancings thereof) not to exceed \$50.0 million.

(b) Notwithstanding any other provision of this "Limitation on Indebtedness and Issuance of Preferred Stock" covenant, the maximum amount of Indebtedness that may be Incurred pursuant to this "Limitation on Indebtedness and Issuance of Preferred Stock" covenant will not be deemed to be exceeded, with respect to any outstanding Indebtedness due solely to the result of fluctuations in the exchange rates of currencies.

(c) For purposes of determining any particular amount of Indebtedness under this "Limitation on Indebtedness and Issuance of Preferred Stock" covenant, (x) Indebtedness outstanding under the Credit Agreement on the Closing Date shall be treated as Incurred pursuant to clause (1) of the second paragraph of part (a) of this "Limitation on Indebtedness and Issuance of Preferred Stock" covenant, (y) Guarantees, Liens or obligations with respect to letters of credit supporting Indebtedness otherwise included in the determination of such particular amount shall not be included and (z) any Liens granted pursuant to the equal and ratable provisions referred to in the "Limitation on Liens" covenant shall not be treated as Indebtedness. For purposes of determining compliance with this "Limitation on Indebtedness and Issuance of Preferred Stock" covenant, in the event that an item of Indebtedness meets the criteria of more than one of the types of Indebtedness described above (other than Indebtedness referred to in clause (x) of the preceding sentence), including under the first paragraph of clause (a), MasTec, in its sole discretion, may classify, and from time to time may reclassify, such item of Indebtedness.

Limitation on Restricted Payments

The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, (1) declare or pay any dividend or make any distribution on or with respect to its Capital Stock (other than (x) dividends or distributions payable solely in shares of its Capital Stock (other than Disqualified Stock) or in options, warrants or other rights to acquire shares of such Capital Stock and (y) pro rata dividends or distributions on Capital Stock of Restricted Subsidiaries held by minority stockholders) held by Persons other than MasTec or any of its Restricted Subsidiaries, (2) purchase, call for redemption or redeem, retire or otherwise acquire for value any shares of Capital Stock (including options, warrants or other rights to acquire such shares of Capital Stock) of MasTec, (3) make any voluntary or optional principal payment, or voluntary or optional redemption, repurchase, defeasance, or other acquisition or retirement for value, of Indebtedness of MasTec that is subordinated in right of payment to the Notes or any Indebtedness of a Subsidiary Guarantor that is

subordinated in right of payment to a Note Guarantee (in each case, other than the purchase, repurchase or other acquisition of any such Indebtedness in anticipation of satisfying a sinking fund obligation, principal installment or at the final maturity thereof, in each case due within one year of the date of such purchase, repurchase or other acquisition) or (4) make any Investment, other than a Permitted Investment, in any Person (such payments or any other actions described in clauses (1) through (4) above being collectively “Restricted Payments”) if, at the time of, and after giving effect to, the proposed Restricted Payment:

(A) a Default or Event of Default shall have occurred and be continuing,

(B) MasTec could not Incur at least \$1.00 of Indebtedness under the first paragraph of part (a) of the “Limitation on Indebtedness and Issuance of Preferred Stock” covenant, or

(C) the aggregate amount of all Restricted Payments made after the Closing Date would exceed the sum of:

(1) 50% of the aggregate amount of the Adjusted Consolidated Net Income (or, if the Adjusted Consolidated Net Income is a loss, minus 100% of the amount of such loss) accrued on a cumulative basis during the period (taken as one accounting period) beginning on the first day of the fiscal quarter immediately following the Closing Date and ending on the last day of the last fiscal quarter preceding the Transaction Date for which internal financial statements are available, plus

(2) the aggregate Net Cash Proceeds, and the fair market value of assets other than cash, received by MasTec after the Closing Date as a capital contribution or from the issuance and sale of its Capital Stock (other than Disqualified Stock) to a Person who is not a Subsidiary of MasTec, including an issuance or sale permitted by the Indenture of Indebtedness of MasTec for cash subsequent to the Closing Date upon the conversion of such Indebtedness into Capital Stock (other than Disqualified Stock) of MasTec, or from the issuance to a Person who is not a Subsidiary of MasTec of any options, warrants or other rights to acquire Capital Stock of MasTec (in each case, exclusive of any Disqualified Stock or any options, warrants or other rights that are redeemable at the option of the holder, or are required to be redeemed, prior to the Stated Maturity of the Notes), plus

(3) an amount equal to the net reduction in Investments (other than reductions in Permitted Investments) in any Person resulting from payments of interest on Indebtedness, dividends, repayments of loans or advances, or other transfers of assets, in each case, to MasTec or any Restricted Subsidiary or from the Net Cash Proceeds from the sale of any such Investment (except, in each case, to the extent any such payment or proceeds are included in the calculation of Adjusted Consolidated Net Income), from the release of any Guarantee (except to the extent any amounts have been paid under such Guarantee) or from redesignations of Unrestricted Subsidiaries as Restricted Subsidiaries (valued in each case as provided in the definition of “Investments”), not to exceed, in each case, the amount of Investments previously made after the Closing Date (and treated as a Restricted Payment) by MasTec or any Restricted Subsidiary in such Person or Unrestricted Subsidiary, plus

(4) the aggregate net cash proceeds received by MasTec from the issuance or sale after the Closing Date of Indebtedness that has been converted into or exchanged for Capital Stock (other than Disqualified Stock) of the MasTec (excluding any such Indebtedness issued or sold to, or held by, MasTec or a Subsidiary), less the fair market value of any property (other than cash) distributed by MasTec or any Restricted Subsidiary upon any such conversion or exchange.

The foregoing provision shall not be violated by reason of:

(1) the payment of any dividend or redemption of any Capital Stock within 60 days after the related date of declaration or call for redemption if, at said date of declaration or call for redemption, such payment or redemption would comply with the preceding paragraph;

(2) the redemption, repurchase, defeasance or other acquisition or retirement for value of Indebtedness that is subordinated in right of payment to the Notes or any Note Guarantee, including premium, if

any, and accrued interest, with the proceeds of, or in exchange for, Indebtedness Incurred under clause (3) of the second paragraph of part (a) of the “Limitation on Indebtedness and Issuance of Preferred Stock” covenant;

(3) the repurchase, redemption or other acquisition of Capital Stock of MasTec or a Restricted Subsidiary (or options, warrants or other rights to acquire such Capital Stock) in exchange for, or out of the proceeds of a capital contribution or a substantially concurrent offering of, shares of Capital Stock (other than Disqualified Stock) of MasTec (or options, warrants or other rights to acquire such Capital Stock); provided that such options, warrants or other rights are not redeemable at the option of the holder, or required to be redeemed, prior to the Stated Maturity of the Notes;

(4) the making of any principal payment or the repurchase, redemption, retirement, defeasance or other acquisition for value of Indebtedness which is subordinated in right of payment to the Notes or any Note Guarantee in exchange for, or out of the proceeds of a capital contribution or a substantially concurrent offering of, shares of the Capital Stock (other than Disqualified Stock) of MasTec (or options, warrants or other rights to acquire such Capital Stock); provided that such options, warrants or other rights are not redeemable at the option of the holder, or required to be redeemed, prior to the Stated Maturity of the Notes;

(5) payments or distributions, to dissenting stockholders required by applicable law, pursuant to or in connection with a consolidation, merger or transfer of assets of MasTec that complies with the provisions of the Indenture applicable to mergers, consolidations and transfers of all or substantially all of the property and assets of MasTec;

(6) Investments acquired as a capital contribution to, or in exchange for, or out of the proceeds of a substantially concurrent offering of, Capital Stock (other than Disqualified Stock) of MasTec;

(7) the repurchase of Capital Stock deemed to occur upon the exercise of options or warrants if such Capital Stock represents all or a portion of the exercise price thereof;

(8) the repurchase, redemption or other acquisition or retirement for value of any Capital Stock, or options, warrants or other rights to acquire shares of such Capital Stock, of the Issuer or any Restricted Subsidiary held by any current or former officer, director or employee of the Issuer or any of its Restricted Subsidiaries pursuant to any equity subscription agreement, stock option agreement, shareholders’ agreement or similar agreement or pursuant to any other agreement or plan approved by the Board of Directors of MasTec; provided that the aggregate price paid for all such repurchased, redeemed, acquired or retired Capital Stock, or options, warrants or other rights to acquire shares of such Capital Stock, may not exceed \$3.0 million in any calendar year (with any unused amounts being carried forward to future periods, subject to a maximum of \$6.0 million in any calendar year); provided further that such amount in any calendar year may be increased by an amount not to exceed (A) the net cash proceeds received by the Issuer from the sale of Capital Stock (other than Disqualified Stock) of MasTec (or options, warrants or other rights to acquire such Capital Stock) to members of management or directors of the Issuer and its Restricted Subsidiaries that occurs after the Closing Date (to the extent such cash proceeds have not otherwise been applied to the payment of Restricted Payments), plus (B) the net cash proceeds of key man life insurance policies received by the Issuer and its Restricted Subsidiaries after the Closing Date of the indenture, less (C) the amount of any Restricted Payments made pursuant to subclauses (A) and (B) of this clause (8);

(9) the declaration and payment of regularly scheduled or accrued dividends to holders of any class or series of Disqualified Stock of MasTec or any Restricted Subsidiary issued on or after the Closing Date in accordance with the Fixed Charge Coverage Ratio test described above under the caption “— Limitation of Indebtedness and Issuance of Preferred Stock”;

(10) the purchase, repurchase or acquisition of Capital Stock of MasTec, in an aggregate amount pursuant to this clause (10) not to exceed \$5.0 million, for distribution, contribution or payment to, or for the benefit of, any employee benefit plan of MasTec or any of its Subsidiaries or any trust established by MasTec or any of its Subsidiaries for the benefit of its employees;

- (11) the repayment of Acquired Indebtedness in connection with an acquisition;
- (12) the repayment of the Existing Notes with the proceeds of the sale of the Notes; and
- (13) any other Restricted Payments in an aggregate amount pursuant to this clause (13) not to exceed \$25 million.

provided that, in the case of clauses (8), (9), (10) and (13), no Default or Event of Default shall have occurred and be continuing or occur as a consequence of the actions or payments set forth therein.

Each Restricted Payment permitted pursuant to the preceding paragraph (other than the Restricted Payment referred to in clause (2), (7), (10), (11), (12) or (13) thereof, or an exchange of Capital Stock for Capital Stock or Indebtedness referred to in clause (3) or (4) thereof or an Investment acquired as a capital contribution or in exchange for Capital Stock referred to in clause (6) thereof) shall be included in calculating whether the conditions of clause (C) of the first paragraph of this “Limitation on Restricted Payments” covenant have been met with respect to any subsequent Restricted Payments, and the Net Cash Proceeds from any issuance of Capital Stock referred to in clause (3), (4), (6) or (8) of the preceding paragraph shall not be included in such calculation; provided, however, that a Restricted Payment permitted pursuant to clause (9) of the preceding paragraph shall be included in such calculation only to the extent of one half of the amounts paid pursuant to such clause (9) and only to the extent that Adjusted Consolidated Net Income is not reduced by such amount.

For purposes of determining compliance with this “Limitation on Restricted Payments” covenant, (x) the amount, if other than in cash, of any Restricted Payment shall be determined in good faith by an officer of MasTec, whose determination shall be conclusive and evidenced by an officer’s certificate, provided that if such amount is over \$5.0 million, it shall be determined in good faith by the Board of Directors or a committee thereof, whose determination shall be conclusive and evidenced by a resolution of the Board of Directors and (y) in the event that a Restricted Payment meets the criteria of more than one of the types of Restricted Payments described in the above clauses, including the first paragraph of this “Limitation on Restricted Payments” covenant, MasTec, in its sole discretion, may order and classify, and from time to time may reclassify, such Restricted Payment if it would have been permitted at the time such Restricted Payment was made and at the time of such reclassification.

Limitation on Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries

The Issuer will not, and will not permit any Restricted Subsidiary to, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or restriction of any kind on the ability of any Restricted Subsidiary to (1) pay dividends or make any other distributions permitted by applicable law on any Capital Stock of such Restricted Subsidiary owned by MasTec or any other Restricted Subsidiary, (2) repay any Indebtedness owed to MasTec or any other Restricted Subsidiary, (3) make loans or advances to MasTec or any other Restricted Subsidiary or (4) transfer any of its property or assets to MasTec or any other Restricted Subsidiary.

The foregoing provisions shall not restrict any encumbrances or restrictions:

(1) existing on the Closing Date in the Credit Agreement, the Indenture, the Notes or any other agreements in effect on the Closing Date, and any extensions, refinancings, amendments, renewals, increases, supplements or replacements of such agreements; provided that the encumbrances and restrictions in any such extensions, refinancings, amendments, renewals, increases, supplements or replacements taken as a whole are no less favorable in any material respect to the Holders than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, amended, renewed or replaced;

(2) existing under or by reason of applicable law, rule, regulation or order required by any governmental authority;

(3) existing with respect to any Person or the property or assets of such Person acquired by MasTec or any Restricted Subsidiary, existing at the time of such acquisition and not incurred in contemplation

thereof, which encumbrances or restrictions are not applicable to any Person or the property or assets of any Person other than such Person or the property or assets of such Person so acquired and any extensions, refinancings, amendments, renewals, increases, supplements or replacements thereof; provided that the encumbrances and restrictions in any such extensions, refinancings, amendments, renewals, increases, supplements or replacements taken as a whole are no less favorable in any material respect to the Holders than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed, increased, supplemented or replaced;

(4) in the case of clause (4) of the first paragraph of this “Limitation on Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries” covenant:

(A) that restrict in a customary manner the subletting, assignment or transfer of any property or asset that is a lease, license, conveyance or contract or similar property or asset;

(B) existing by virtue of any transfer of, agreement to transfer, option or right with respect to, or Lien on, any property or assets of MasTec or any Restricted Subsidiary not otherwise prohibited by the Indenture; or

(C) arising or agreed to in the normal course of business, not relating to any Indebtedness, and that do not detract from the value of property or assets of MasTec or any Restricted Subsidiary in any manner material to MasTec and its Restricted Subsidiaries, taken as a whole;

(5) with respect to a Restricted Subsidiary and imposed pursuant to an agreement that has been entered into for the sale or disposition of all or substantially all of the Capital Stock of, or property and assets of, such Restricted Subsidiary;

(6) contained in the terms of any Indebtedness or any agreement pursuant to which such Indebtedness was issued if:

(A) the encumbrance or restriction is not materially more disadvantageous to the Holders of the Notes than is customary in comparable financings (as determined by MasTec in good faith); and

(B) MasTec determines that any such encumbrance or restriction will not materially affect MasTec’s ability to make principal or interest payments on the Notes;

(7) arising from customary provisions in joint venture agreements and other similar agreements;

(8) with respect to the property or assets of entities that are joint ventures of MasTec on the Closing Date (other than entities that are Restricted Subsidiaries of MasTec on the Closing Date);

(9) with respect to cash or other deposits or net worth imposed by lessors or customers under contracts entered into in the ordinary course of business;

(10) under Indebtedness or other contractual requirements of a Receivables Entity in connection with a Qualified Receivables Transaction, provided that such restrictions apply only to such Receivables Entity or the Receivables Assets that are subject to such Qualified Receivables Transaction; or

(11) customary restrictions imposed on the transfer and assignment of intellectual property.

Nothing contained in this “Limitation on Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries” covenant shall prevent MasTec or any Restricted Subsidiary from (1) creating, incurring, assuming or suffering to exist any Liens otherwise not prohibited by the “Limitation on Liens” covenant or (2) restricting the sale or other disposition of property or assets of MasTec or of any of its Restricted Subsidiaries that secure Indebtedness of MasTec or any of its Restricted Subsidiaries.

Limitation on Issuance of Guarantees by Restricted Subsidiaries

MasTec will not permit any Wholly Owned Restricted Subsidiary (or any Restricted Subsidiary that is not Wholly Owned if such Restricted Subsidiary guarantees other capital markets debt securities of MasTec or of any Restricted Subsidiary) which is not a Subsidiary Guarantor, directly or indirectly, to Guarantee any Credit

Facility of MasTec or of any other Restricted Subsidiary (other than a Foreign Subsidiary, a Receivables Entity and Globetec Construction, LLC) (“Guaranteed Indebtedness”), unless within ten business days (a) such Restricted Subsidiary executes and delivers a supplemental indenture to the Indenture providing for a Guarantee (also a “Note Guarantee”) of payment of the Notes by such Restricted Subsidiary and (b) such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against MasTec or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Note Guarantee until the Notes have been paid in full.

If the Guaranteed Indebtedness is (A) *pari passu* in right of payment with the Notes or any Note Guarantee, then the Guarantee of such Guaranteed Indebtedness shall be *pari passu* in right of payment with, or subordinated to, the Note Guarantee or (B) subordinated in right of payment to the Notes or any Note Guarantee, then the Guarantee of such Guaranteed Indebtedness shall be subordinated in right of payment to the Note Guarantee at least to the extent that the Guaranteed Indebtedness is subordinated to the Notes or the Note Guarantee.

Notwithstanding the foregoing, any Note Guarantee by a Restricted Subsidiary may provide by its terms that it shall be automatically and unconditionally released and discharged upon:

(1) any sale, exchange or transfer, to any Person not an Affiliate of MasTec, of Capital Stock of such Restricted Subsidiary so that such Restricted Subsidiary is no longer a Restricted Subsidiary, or of all or substantially all the assets of, such Restricted Subsidiary (which sale, exchange or transfer is not prohibited by the Indenture) or upon the designation of such Restricted Subsidiary as an Unrestricted Subsidiary in accordance with the terms of the Indenture; or

(2) the release or discharge of the Guarantee which resulted in the creation of such Note Guarantee, except a discharge or release by or as a result of payment under such Guarantee.

Limitation on Transactions with Affiliates

MasTec will not, and will not permit any Restricted Subsidiary to, enter into, renew or extend any transaction (including, without limitation, the purchase, sale, lease or exchange of property or assets, or the rendering of any service) with, or for the benefit of, any Affiliate of MasTec or any Restricted Subsidiary, except upon fair and reasonable terms not materially less favorable to MasTec or such Restricted Subsidiary than could be obtained, at the time of such transaction or, if such transaction is pursuant to a written agreement, at the time of the execution of the agreement providing therefor, in a comparable arm’s-length transaction with a Person that is not an Affiliate.

The foregoing limitation does not limit, and shall not apply to:

(1) transactions (A) approved by a majority of the disinterested members of the Board of Directors or (B) for which MasTec or a Restricted Subsidiary delivers to the Trustee a written opinion of a nationally recognized investment banking, accounting, valuation or appraisal firm stating that the transaction is fair to MasTec or such Restricted Subsidiary from a financial point of view;

(2) any transaction solely between MasTec and any of its Restricted Subsidiaries or solely among Restricted Subsidiaries;

(3) any transaction with a Person (other than an Unrestricted Subsidiary of MasTec) that is an Affiliate of MasTec solely because the Issuer owns, directly or through a Restricted Subsidiary, Capital Stock of, or otherwise controls, such Person;

(4) any payments or other transactions pursuant to any tax-sharing agreement between MasTec and any other Person with which MasTec files a consolidated tax return or with which MasTec is part of a consolidated group for tax purposes;

(5) any sale of shares of Capital Stock (other than Disqualified Stock) of MasTec;

(6) any Restricted Payments or Permitted Investments (other than Permitted Investments described in clauses (1), (7), (11), (13), (15) or (17) of the definition thereof) not prohibited by the “Limitation on Restricted Payments” covenant;

(7) any agreement as in effect or entered into as of the Closing Date (as disclosed in this prospectus) or any amendment thereto or any transaction contemplated thereby (including pursuant to any amendment thereto) and any replacement agreement thereto so long as any such amendment or replacement agreement is not more disadvantageous to the Holders in any material respect than the original agreement as in effect on the Closing Date;

(8) any issuance of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, stock options and stock ownership plans, and other reasonable fees, compensation, benefits and indemnities paid or entered into by MasTec or its Restricted Subsidiaries in the ordinary course of business to or with officers, directors or employees of MasTec or its Restricted Subsidiaries, in each case approved by the Board of Directors of MasTec or a committee thereof;

(9) any loans or advances to employees of MasTec and its Restricted Subsidiaries in the ordinary course of business;

(10) any payment approved by the Board of Directors of MasTec or a committee thereof in connection with the registration for sale or distribution by any Affiliate of MasTec of any Capital Stock of MasTec, including reimbursements for offering expenses, underwriting discounts and commissions; and

(11) any transaction with a Receivables Entity effected as part of a Qualified Receivables Transaction and otherwise in compliance with the terms of the Indenture that are fair to MasTec or its Restricted Subsidiaries, in the good faith determination of the members of the Board of Directors of MasTec or the senior management thereof, or are on terms at least as favorable as would reasonably have been entered into at such time with an unaffiliated party.

Notwithstanding the foregoing, any transaction or series of related transactions covered by the first paragraph of this “Limitation on Transactions with Shareholders and Affiliates” covenant and not covered by clauses (2) through (10) of this paragraph, (a) the aggregate amount of which exceeds \$5 million in value, must be approved or determined to be fair in the manner provided for in clause (1)(A) or (B) above and (b) the aggregate amount of which exceeds \$25 million in value, must be determined to be fair in the manner provided for in clause (1)(B) above.

Limitation on Liens

MasTec will not, and will not permit any Restricted Subsidiary to, create, incur, assume or suffer to exist any Lien securing Indebtedness or Trade Payables on any of its assets or properties of any character (including any shares of Capital Stock or Indebtedness of any Restricted Subsidiary), without making effective provision for all of the Notes and all other amounts due under the Indenture to be directly secured equally and ratably with (or, if the obligation or liability to be secured by such Lien is subordinated in right of payment to the Notes, prior to) the obligation or liability secured by such Lien.

The foregoing limitation does not apply to:

(1) Liens existing on the Closing Date, other than those described in clauses (2) through (9) below;

(2) Liens granted on or after the Closing Date on any assets or Capital Stock of MasTec or its Restricted Subsidiaries created in favor of the Holders;

(3) Liens with respect to the assets of a Restricted Subsidiary granted by such Restricted Subsidiary to MasTec or a Restricted Subsidiary to secure Indebtedness owing to MasTec or such other Restricted Subsidiary;

(4) Liens securing Indebtedness which is Incurred to refinance secured Indebtedness which is permitted to be Incurred under clause (3) of the second paragraph of part (a) of the “Limitation on

Indebtedness and Issuance of Preferred Stock” covenant; provided that such Liens do not extend to or cover any property or assets of MasTec or any Restricted Subsidiary other than the property or assets securing the Indebtedness being refinanced;

(5) Liens to secure Indebtedness permitted to be Incurred under clauses (1) or (11) of the second paragraph of part (a) of the “Limitation on Indebtedness and Issuance of Preferred Stock” covenant;

(6) Liens to secure Indebtedness permitted to be Incurred under clause (8) of the second paragraph of part (a) of the “Limitation on Indebtedness and Issuance of Preferred Stock” covenant; provided that such Liens do not extend to or cover any property or assets of MasTec or any Restricted Subsidiary other than the property or assets of Foreign Subsidiaries;

(7) Liens (including extensions and renewals thereof) upon real or personal property acquired after the Closing Date; provided that (a) such Lien is created solely for the purpose of securing Indebtedness Incurred, in accordance with the “Limitation on Indebtedness and Issuance of Preferred Stock” covenant, to finance the cost (including the cost of improvement or construction) of the item of property or assets subject thereto and such Lien is created prior to, at the time of or within one year after the later of the acquisition, the completion of construction or the commencement of full operation of such property, (b) the principal amount of the Indebtedness secured by such Lien does not exceed 100% of such cost and (c) any such Lien shall not extend to or cover any property or assets other than such item of property or assets and any improvements on such item;

(8) Liens on cash set aside at the time of the Incurrence of any Indebtedness, or government securities purchased with such cash, in either case, to the extent that such cash or government securities pre-fund the payment of interest on such Indebtedness and are held in a collateral or escrow account or similar arrangement to be applied for such purpose; or

(9) Permitted Liens.

Limitation on Asset Sales

The Issuer will not, and will not permit any Restricted Subsidiary to, consummate any Asset Sale, unless (1) the consideration received by MasTec or such Restricted Subsidiary is at least equal to the fair market value of the assets sold or disposed of and (2) at least 75% of the consideration received consists of (a) cash or Temporary Cash Investments, (b) the assumption of unsubordinated Indebtedness of MasTec or any Subsidiary Guarantor or Indebtedness of any other Restricted Subsidiary (in each case, other than Indebtedness owed to MasTec or any Affiliate of MasTec), provided that the Issuer, such Subsidiary Guarantor or such other Restricted Subsidiary is irrevocably and unconditionally released in writing from all liability under such Indebtedness, (c) Replacement Assets, (d) any liabilities (as shown on MasTec’s or such Restricted Subsidiary’s most recent balance sheet) of MasTec or such Restricted Subsidiary (other than contingent liabilities, liabilities that are by their terms subordinated to the Notes or any Note Guarantee and liabilities to the extent owed to the Issuer or any Subsidiary of the Issuer) that are assumed by the transferee of any such assets to the extent MasTec or such Restricted Subsidiary is released from further liability, (e) any securities, Notes or other obligations received by MasTec or such Restricted Subsidiary from such transferee that are converted within 90 days by MasTec or such Restricted Subsidiary into cash or Temporary Cash Investments (to the extent of the cash or Temporary Cash Investments received), or (f) any Designated Non-Cash Consideration received by MasTec or any of its Restricted Subsidiaries in such Asset Sale having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this clause (f) that is at that time outstanding, not to exceed the greater of (x) 5.0% of MasTec’s Consolidated Net Assets as of the date of receipt of such Designated Non-Cash Consideration and \$25.0 million (with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

The Issuer will, or will cause the relevant Restricted Subsidiary to:

(1) within twelve months after the date of receipt of any Net Cash Proceeds from an Asset Sale,

(A) apply an amount equal to such Net Cash Proceeds to permanently repay Indebtedness of MasTec or any Subsidiary Guarantor that is secured by a Lien or Indebtedness of any other Restricted Subsidiary, in each case, owing to a Person other than MasTec or any Affiliate of MasTec, or

(B) to make capital expenditures or invest an equal amount, or the amount not so applied pursuant to clause (A) (or enter into a definitive agreement committing to so invest within 12 months after the date of such agreement) in Replacement Assets, and

(2) apply (no later than the end of the 12-month period referred to in clause (1)) any excess Net Cash Proceeds (to the extent not applied pursuant to clause (1)) as provided in the following paragraphs of this "Limitation on Asset Sales" covenant.

The amount of such excess Net Cash Proceeds required to be applied (or to be committed to be applied) during such 12-month period as set forth in clause (1) of the preceding sentence and not applied as so required by the end of such period shall constitute "Excess Proceeds."

If, as of the first day of any calendar month, the aggregate amount of Excess Proceeds not theretofore subject to an Offer to Purchase pursuant to this "Limitation on Asset Sales" covenant totals at least \$10.0 million, the Issuer must commence, not later than the fifteenth business day of such month, and consummate an Offer to Purchase from the Holders (and, if required by the terms of any Indebtedness that is pari passu with the Notes ("Pari Passu Indebtedness"), from the holders of such Pari Passu Indebtedness) on a pro rata basis an aggregate principal amount of Notes (and Pari Passu Indebtedness) equal to the Excess Proceeds on such date, at a purchase price equal to 100% of their principal amount, plus, in each case, accrued interest (if any) to the Payment Date. To the extent that any Excess Proceeds remain after consummation of an Offer to Purchase pursuant to this "Limitation on Asset Sales" covenant, MasTec may use those Excess Proceeds for any purpose not otherwise prohibited by the Indenture and the amount of Excess Proceeds shall be reset to zero.

Payments for Consent

MasTec will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any holder of Notes for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of the Indenture or the Notes unless such consideration is offered to be paid and is paid to all holders of the Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

Repurchase of Notes upon a Change of Control

If a Change of Control occurs, the Issuer must commence and consummate an Offer to Purchase for all Notes then outstanding, at a purchase price equal to 101% of their principal amount, plus accrued interest (if any) to the Payment Date. Within 30 days following any Change of Control, the Issuer will mail a notice to each holder describing the transaction or transactions that constitute the Change of Control and making an Offer to Purchase Notes on the Change of Control Payment Date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed, pursuant to the procedures required by the Indenture and described in such notice.

An Offer to Purchase may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for a Change of Control at the time of making the Offer to Purchase. However, notwithstanding the occurrence of a Change of Control, the Issuer shall not be obligated to purchase the Notes pursuant to this section in the event that it has mailed the notice to exercise its right to redeem all the Notes under the terms of the section titled "Optional Redemption" at any time prior to the requirement to consummate the Offer to Purchase and redeems the Notes in accordance with such notice.

There can be no assurance that MasTec will have sufficient funds available at the time of any Change of Control to make any debt payment (including repurchases of Notes) required by the foregoing covenant (as

well as may be required by the terms of any other securities or indebtedness of MasTec which might be outstanding at the time).

The above covenant requiring MasTec to repurchase the Notes will, unless consents are obtained, require MasTec to repay all indebtedness then outstanding which by its terms would prohibit such Note repurchase, either prior to or concurrently with such Note repurchase.

The Issuer will not be required to make an Offer to Purchase upon the occurrence of a Change of Control if a third party makes an offer to purchase the Notes in the manner, at the times and price and otherwise in compliance with the requirements of the Indenture applicable to an Offer to Purchase for a Change of Control and purchases all Notes validly tendered and not withdrawn in such offer to purchase.

SEC Reports and Reports to Holders

Whether or not MasTec is then required to file reports with the SEC, MasTec shall file with the SEC all such reports and other information as it would be required to file with the SEC by Section 13(a) or 15(d) under the Exchange Act if it were subject thereto, no later than 15 days after the respective dates by which such reports would be required to be filed under the SEC's rules and regulations. The Issuer shall supply to the Trustee and to each Holder or shall supply to the Trustee for forwarding to each such Holder, without cost to such Holder, copies of such reports and other information to the extent they are not available on the SEC's electronic data gathering and retrieval (EDGAR) system. In addition, MasTec has agreed that, at all times when any Notes are not freely tradable under the Securities Act, upon the request of any Holder or any prospective purchaser of the Notes designated by a Holder, it will supply to such Holder or such prospective purchaser the information required under Rule 144A under the Securities Act.

Events of Default

The following events are defined as "Events of Default" in the Indenture:

(a) default in the payment of principal of (or premium, if any, on) any note when the same becomes due and payable at maturity, upon acceleration, redemption or otherwise;

(b) default in the payment of interest on any note when the same becomes due and payable, and such default continues for a period of 30 days;

(c) default in the performance or breach of the provisions of the Indenture applicable to mergers, consolidations and transfers of all or substantially all of the assets of MasTec or any Subsidiary Guarantor or the failure by MasTec to make or consummate an Offer to Purchase in accordance with the provisions under the caption "— Covenants — Limitation on Asset Sales" or "Repurchase of Notes upon a Change of Control";

(d) MasTec or any Restricted Subsidiary defaults in the performance of or breaches any other covenant or agreement in the Indenture or under the Notes (other than a default specified in clause (a), (b) or (c) above) and such default or breach continues for a period of 60 consecutive days after written notice by the Trustee or the Holders of 25% or more in aggregate principal amount of the Notes;

(e) there occurs with respect to any issue or issues of Indebtedness of MasTec or any Significant Subsidiary having an outstanding principal amount of \$20 million or more in the aggregate for all such issues of all such Persons, whether such Indebtedness now exists or shall hereafter be created, (I) an event of default that has caused the holder thereof to declare such Indebtedness to be due and payable prior to its Stated Maturity and such Indebtedness has not been discharged in full or such acceleration has not been rescinded or annulled within 30 days of such acceleration and/or (II) the failure to make a principal payment at the final (but not any interim) fixed maturity and such defaulted payment shall not have been made, waived or extended within 30 days of such payment default;

(f) any final judgment or order (not covered by insurance) for the payment of money in excess of \$20 million in the aggregate for all such final judgments or orders against all such Persons (treating any deductibles, self-insurance or retention as not so covered) shall be rendered against MasTec, any

Subsidiary Guarantor or any Significant Subsidiary and shall not be paid or discharged, and there shall be any period of 30 consecutive days following entry of the final judgment or order that causes the aggregate amount for all such final judgments or orders outstanding and not paid or discharged against all such Persons to exceed \$20 million during which a stay of enforcement of such final judgment or order, by reason of a pending appeal or otherwise, shall not be in effect;

(g) a court having jurisdiction in the premises enters a decree or order for (A) relief in respect of MasTec, any Subsidiary Guarantor or any Significant Subsidiary (or a group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) in an involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, (B) appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of MasTec, any Subsidiary Guarantor or any Significant Subsidiary (or a group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) or for all or substantially all of the property and assets of MasTec, any Subsidiary Guarantor or any Significant Subsidiary (or such group of Restricted Subsidiaries) or (C) the winding up or liquidation of the affairs of MasTec, any Subsidiary Guarantor or any Significant Subsidiary (or a group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) and, in each case, such decree or order shall remain unstayed and in effect for a period of 60 consecutive days;

(h) MasTec, any Subsidiary Guarantor or any Significant Subsidiary (or a group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) (A) commences a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or consents to the entry of an order for relief in an involuntary case under any such law, (B) consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of MasTec, any Subsidiary Guarantor or any Significant Subsidiary (or a group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) or for all or substantially all of the property and assets of MasTec, any Subsidiary Guarantor or any Significant Subsidiary (or such group of Restricted Subsidiaries) or (C) effects any general assignment for the benefit of creditors; or

(i) any Subsidiary Guarantor repudiates its obligations under its Note Guarantee or, except as permitted by the Indenture, any Note Guarantee of a Subsidiary Guarantor that is a Significant Subsidiary (or group of Subsidiary Guarantors that, taken together, would constitute a Significant Subsidiary) is determined to be unenforceable or invalid or shall for any reason cease to be in full force and effect.

If an Event of Default (other than an Event of Default specified in clause (g) or (h) above that occurs with respect to MasTec or any Significant Subsidiary (or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary)) occurs and is continuing under the Indenture, the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes, then outstanding, by written notice to MasTec (and to the Trustee if such notice is given by the Holders), may, and the Trustee at the request of such Holders shall, declare the principal of, premium, if any, and accrued interest on the Notes to be immediately due and payable. Upon a declaration of acceleration, such principal of, premium, if any, and accrued interest shall be immediately due and payable. In the event of a declaration of acceleration because an Event of Default set forth in clause (e) above has occurred and is continuing, such declaration of acceleration shall be automatically rescinded and annulled if the event of default triggering such Event of Default pursuant to clause (e) shall be remedied or cured by MasTec, the relevant Subsidiary Guarantor or the relevant Significant Subsidiary or waived by the holders of the relevant Indebtedness within 60 days after the declaration of acceleration with respect thereto. If an Event of Default specified in clause (g) or (h) above occurs with respect to MasTec or any Significant Subsidiary (or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary), the principal of, premium, if any, and accrued interest on the Notes then outstanding shall automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

The Holders of at least a majority in principal amount of the outstanding Notes by written notice to MasTec and to the Trustee, may waive all past defaults and rescind and annul a declaration of acceleration and

its consequences if (x) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and accrued interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived and (y) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction. For information as to the waiver of defaults, see “— Modification and Waiver.”

The Holders of at least a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or the Indenture, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders of Notes not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from Holders of Notes. A Holder may not pursue any remedy with respect to the Indenture or the Notes unless:

- (1) the Holder gives the Trustee written notice of a continuing Event of Default;
- (2) the Holders of at least 25% in aggregate principal amount of outstanding Notes make a written request to the Trustee to pursue the remedy;
- (3) such Holder or Holders offer the Trustee indemnity satisfactory to the Trustee against any costs, liability or expense;
- (4) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of indemnity; and
- (5) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a direction that is inconsistent with the request.

However, such limitations do not apply to the right of any Holder of a note to receive payment of the principal of or premium, if any, or interest on, such Note, or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Notes, which right shall not be impaired or affected without the consent of the Holder.

Officers of MasTec must certify, on or before a date not more than 90 days after the end of each fiscal year, that a review has been conducted of the activities of MasTec and its Restricted Subsidiaries and MasTec’s and its Restricted Subsidiaries’ performance under the Indenture and that MasTec and its Restricted Subsidiaries have fulfilled all obligations thereunder, or, if there has been a default in the fulfillment of any such obligation, specifying each such default and the nature and status thereof. MasTec will also be obligated to notify the Trustee of any default or defaults in the performance of any covenants or agreements under the Indenture.

Consolidation, Merger and Sale of Assets

The Issuer will not consolidate with, merge with or into, or sell, convey, transfer, lease or otherwise dispose of all or substantially all of its property and assets (as an entirety or substantially an entirety in one transaction or a series of related transactions) to, any Person or permit any Person to merge with or into it unless:

- (1) it shall be the continuing Person, or the Person (if other than it) formed by such consolidation or into which it is merged or that acquired or leased such property and assets (the “Surviving Person”) shall (a) be (i) a corporation organized and validly existing under the laws of the United States of America or any jurisdiction thereof or (ii) a limited liability company organized and validly existing under the laws of the United States of America or any jurisdiction thereof that has at least one Restricted Subsidiary that is a corporation organized under the laws of the United States of America or any jurisdiction thereof which corporation becomes a co-issuer of the Notes pursuant to a supplemental indenture, executed and delivered to the Trustee and (b) expressly assume, by a supplemental indenture, executed and delivered to the Trustee, all of MasTec’s obligations under the Indenture, the Notes and the Registration Rights Agreement;

(2) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(3) immediately after giving effect to such transaction on a *pro forma* basis, MasTec (or the Surviving Person, if applicable) could incur at least \$1.00 of Indebtedness under the first paragraph of part (a) of the “Limitation on Indebtedness and Issuance of Preferred Stock” covenant; provided that this clause (3) shall not apply to a consolidation, merger or sale of all (but not less than all) of the assets of MasTec if all Liens and Indebtedness of MasTec (or the Surviving Person), together with the Restricted Subsidiaries of such Person, outstanding immediately after such transaction would have been permitted (and all such Liens and Indebtedness, other than Liens and Indebtedness of such Person and its Restricted Subsidiaries outstanding immediately prior to the transaction, shall be deemed to have been Incurred) for all purposes of the Indenture;

(4) each Subsidiary Guarantor, unless such Subsidiary Guarantor is the Person with which MasTec has entered into a transaction under this “Consolidation, Merger and Sale of Assets” section, shall have, by supplemental indenture amending its Note Guarantee, confirmed that its Note Guarantee shall apply to the obligations of MasTec or the Surviving Person in accordance with the Notes and the Indenture; and

(5) MasTec will have delivered to the Trustee an officers’ certificate (attaching the arithmetic computations to demonstrate compliance with clause (3) of this paragraph) and, if requested by the Trustee, an opinion of counsel, each stating that such transaction and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with the applicable provisions of the Indenture, that all conditions precedent in the Indenture relating to such transaction have been satisfied and that supplemental indenture is enforceable;

provided, however, that clause (3) above do not apply if, in the good faith determination of the Board of Directors, whose determination shall be evidenced by a Board Resolution, the principal purpose of such transaction is to change the state of incorporation of MasTec and any such transaction shall not have as one of its purposes the evasion of the foregoing limitations.

No Subsidiary Guarantor will consolidate with, merge with or into, or sell, convey, transfer, lease or otherwise dispose of all or substantially all of its property and assets (as an entirety or substantially an entirety in one transaction or a series of related transactions) to, any Person or permit any Person to merge with or into it unless:

(1) (A) it shall be the continuing Person, or the Person (if other than it) formed by such consolidation or into which it is merged or that acquired or leased such property and assets shall expressly assume, by a supplemental indenture, executed and delivered to the Trustee, all of such Subsidiary Guarantor’s obligations under its Note Guarantee; (B) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing; and (C) MasTec will have delivered to the Trustee an officers’ certificate and an opinion of counsel, each stating that such transaction and such supplemental indenture comply with the applicable provisions of the Indenture, that all conditions precedent in the Indenture relating to such transaction have been satisfied and that such supplemental indenture is enforceable; or

(2) such sale, conveyance, transfer, lease or other disposal of all or substantially its property and assets complies with the “Limitation on Asset Sales” covenant.

The foregoing requirements of this paragraph shall not apply to a consolidation or merger of any Subsidiary Guarantor with and into MasTec or any other Subsidiary Guarantor, so long as MasTec or such Subsidiary Guarantor survives such consolidation or merger.

Defeasance

Defeasance and Discharge. The Indenture will provide that MasTec will be deemed to have paid and will be discharged from any and all obligations in respect of the Notes on the 123rd day after the deposit referred to below, and the provisions of the Indenture will no longer be in effect with respect to the Notes

(except for, among other matters, certain obligations to register the transfer or exchange of the Notes, to replace stolen, lost or mutilated Notes, to maintain paying agencies and to hold monies for payment in trust) if, among other things:

(A) MasTec has deposited with the Trustee, in trust, money and/or U.S. Government Obligations that through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay the principal of, premium, if any, and accrued interest on the Notes on the Stated Maturity of such payments in accordance with the terms of the Indenture and the Notes;

(B) MasTec has delivered to the Trustee (1) either (x) an Opinion of Counsel to the effect that Holders will not recognize income, gain or loss for federal income tax purposes as a result of MasTec's exercise of its option under this "Defeasance" provision and will be subject to federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit, defeasance and discharge had not occurred, which Opinion of Counsel must be based upon (and accompanied by a copy of) a ruling of the Internal Revenue Service to the same effect unless there has been a change in applicable federal income tax law after the Closing Date such that a ruling is no longer required or (y) a ruling directed to the Trustee received from the Internal Revenue Service to the same effect as the aforementioned Opinion of Counsel and (2) an Opinion of Counsel to the effect that after the passage of 123 days following the deposit, the trust fund will not be subject to the effect of Section 547 of the United States Bankruptcy Code or Section 15 of the New York Debtor and Creditor Law;

(C) immediately after giving effect to such deposit on a *pro forma* basis, no Event of Default, or event that after the giving of notice or lapse of time or both would become an Event of Default, shall have occurred and be continuing on the date of such deposit or during the period ending on the 123rd day after the date of such deposit, and such deposit shall not result in a breach or violation of, or constitute a default under, any other material agreement or instrument to which MasTec or any of its Subsidiaries is a party or by which MasTec or any of its Subsidiaries is bound; and

(D) if at such time the Notes are listed on a national securities exchange, MasTec has delivered to the Trustee an Opinion of Counsel to the effect that the Notes will not be delisted as a result of such deposit, defeasance and discharge.

Defeasance of Certain Covenants and Certain Events of Default. The Indenture further will provide that the provisions of the Indenture will no longer be in effect with respect to clauses (3) and (4) of the first paragraph under "— Consolidation, Merger and Sale of Assets" and all the covenants described herein under "— Covenants," and clause (c) under "Events of Default" with respect to such clause (3) of the first paragraph under "— Consolidation, Merger and Sale of Assets," clause (d) under "Events of Default" with respect to such other covenants and clauses (e) and (f) under "Events of Default" shall be deemed not to be Events of Default upon, among other things, the deposit with the Trustee, in trust, of money and/or U.S. Government Obligations that through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay the principal of, premium, if any, and accrued interest on the Notes on the Stated Maturity of such payments in accordance with the terms of the Indenture and the Notes, the satisfaction of the provisions described in clauses (B)(2), (C) and (D) of the preceding paragraph and the delivery by MasTec to the Trustee of an Opinion of Counsel to the effect that, among other things, the Holders will not recognize income, gain or loss for federal income tax purposes as a result of such deposit and defeasance of certain covenants and Events of Default and will be subject to federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred.

Defeasance and Certain Other Events of Default. In the event that MasTec exercises its option to omit compliance with certain covenants and provisions of the Indenture with respect to the Notes as described in the immediately preceding paragraph and the Notes are declared due and payable because of the occurrence of an Event of Default that remains applicable, the amount of money and/or U.S. Government Obligations on deposit with the Trustee will be sufficient to pay amounts due on the Notes at the time of their Stated Maturity

but may not be sufficient to pay amounts due on the Notes at the time of the acceleration resulting from such Event of Default. However, MasTec will remain liable for such payments and MasTec's obligations or any Subsidiary Guarantor's Note Guarantee with respect to such payments will remain in effect.

Satisfaction and Discharge

The Indenture will be discharged and will cease to be of further effect (except as to surviving rights of registration of transfer or exchange of the Notes, as expressly provided for in the Indenture) as to all outstanding Notes when:

(1) either:

(A) all of the Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust by MasTec and thereafter repaid to MasTec) have been delivered to the Trustee for cancellation; or

(B) all Notes not theretofore delivered to the Trustee for cancellation have become due and payable pursuant to an optional redemption notice or otherwise or will become due and payable within one year, and MasTec has irrevocably deposited or caused to be deposited with the Trustee funds in an amount sufficient to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the trustee for cancellation, for principal of, premium, if any, and interest on the Notes to the date of deposit together with irrevocable instructions from MasTec directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be; and

(2) MasTec has paid all other sums payable under the Indenture by MasTec.

The Trustee will acknowledge the satisfaction and discharge of the Indenture if MasTec has delivered to the Trustee an Officers' Certificate and an opinion of counsel stating that all conditions precedent under the Indenture relating to the satisfaction and discharge of the Indenture have been complied with.

Modification and Waiver

The Indenture may be amended, without the consent of any Holder, to:

(1) cure any ambiguity, defect or inconsistency in the Indenture;

(2) comply with the provisions described under "Consolidation, Merger and Sale of Assets" or "Limitation on Issuance of Guarantees by Restricted Subsidiaries";

(3) comply with any requirements of the SEC in connection with the qualification of the Indenture under the TIA;

(4) evidence and provide for the acceptance of appointment by a successor Trustee;

(5) to add a Subsidiary Guarantor;

(6) to conform the text of the Indenture, the Notes or any Note Guarantee to any provision of this Description of the New Notes intended to be a verbatim recitation thereof; or

(7) make any change that, in the good faith opinion of the Board of Directors, does not materially and adversely affect the rights of any Holder.

Modifications and amendments of the Indenture may be made by MasTec, the Subsidiary Guarantors and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the outstanding Notes; provided, however, that no such modification or amendment may, without the consent of each Holder affected thereby:

(1) change the Stated Maturity of the principal of, or any installment of interest on, any note;

- (2) reduce the principal amount of, or premium, if any, or interest on, any note;
- (3) change the optional redemption dates or optional redemption prices of the Notes from that stated under the caption “— Optional Redemption”;
- (4) change the place or currency of payment of principal of, or premium, if any, or interest on, any note;
- (5) impair the right to institute suit for the enforcement of any payment on or after the Stated Maturity (or, in the case of a redemption, on or after the Redemption Date) of any note;
- (6) waive a default in the payment of principal of, premium, if any, or interest on the Notes;
- (7) release any Subsidiary Guarantor from its Note Guarantee, except as provided in the Indenture;
- (8) amend or modify any of the provisions of the Indenture in any manner which subordinates the Notes issued thereunder in right of payment to any other Indebtedness of MasTec or which subordinates any Note Guarantee in right of payment to any other Indebtedness of the Subsidiary Guarantor issuing any such Note Guarantee; or
- (9) reduce the percentage or aggregate principal amount of outstanding Notes the consent of whose Holders is necessary for waiver of compliance with certain provisions of the Indenture or for waiver of certain defaults.

Governing Law

The Indenture and the Original Notes are governed by, and the New Notes will be governed by and construed in accordance with the laws of the State of New York.

No Personal Liability of Incorporators, Stockholders, Officers, Directors, or Employees

No recourse for the payment of the principal of, premium, if any, or interest on any of the Notes or for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of any Obligor in the Indenture, or in any of the Notes or Note Guarantees or because of the creation of any Indebtedness represented thereby, shall be had against any incorporator, stockholder, officer, director, employee or controlling person of MasTec or of any Subsidiary or of any successor Person thereof. Each Holder, by accepting the Notes, waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes. Such waiver may not be effective to waive liabilities under the federal securities laws.

Concerning the Trustee

Except during the continuance of a Default, the Trustee will not be liable, except for the performance of such duties as are specifically set forth in the Indenture. If an Event of Default has occurred and is continuing, the Trustee will use the same degree of care and skill in its exercise of the rights and powers vested in it under the Indenture as a prudent person would exercise under the circumstances in the conduct of such person’s own affairs.

The Indenture and provisions of the TIA incorporated by reference therein contain limitations on the rights of the Trustee, should it become a creditor of MasTec or any Subsidiary Guarantor, to obtain payment of claims in certain cases or to realize on certain property received by it in respect of any such claims, as security or otherwise. The Trustee is permitted to engage in other transactions; provided, however, that if it acquires any conflicting interest, it must eliminate such conflict or resign.

Book-Entry; Delivery and Form

The New Notes will initially be represented by one or more new Notes in registered, global form without coupons, or the “Global Notes”. The Global Notes will be deposited upon issuance with the Trustee as

custodian for DTC in New York, New York, and registered in the name of DTC or its nominee, in each case, for credit to an account of a direct or indirect participant in DTC as described below.

Except as set forth below, the Global Notes may be transferred, in whole and not in part, only to another nominee of DTC or to a successor of DTC or its nominee. Beneficial interests in the Global Notes may not be exchanged for definitive New Notes in registered certificated form, or “Certificated Notes,” except in the limited circumstances described below. See “— Exchange of Global Notes for Certificated Notes.” Except in the limited circumstances described below, owners of beneficial interests in the Global Notes will not be entitled to receive physical delivery of New Notes in certificated form.

Same-day Settlement and Payment

We will make payments in respect of New Notes represented by the Global Notes (including principal, interest and premium, if any) by wire transfer of immediately available funds to the accounts specified by DTC or its nominee. We will make all payments of principal, interest and premium, if any, with respect to Certificated Notes by wire transfer of immediately available funds to the accounts specified by the holders of the Certificated Notes or, if no such account is specified, by mailing a check to each such holder’s registered address. The New Notes represented by the Global Notes are expected to be eligible to trade in DTC’s Same-Day Funds Settlement System, and any permitted secondary market trading activity in such New Notes will, therefore, be required by DTC to be settled in immediately available funds. We expect that secondary trading in any Certificated Notes will also be settled in immediately available funds. We can give no assurance as the effect, if any, of settlement in immediately available funds on trading activity in the New Notes.

Depository Procedures

The following description of the operations and procedures of DTC is provided solely as a matter of convenience. These operations and procedures are solely within the control of the respective settlement systems and are subject to changes by them. We take no responsibility for these operations and procedures and urge investors to contact the system or their participants directly to discuss these matters.

DTC has advised us that DTC is a limited-purpose trust company organized under the laws of the State of New York, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the Uniform Commercial Code and a “clearing agency” registered pursuant to the provisions of Section 17A of the Exchange Act. DTC was created to hold securities for its participating organizations (collectively, the “participants”) and to facilitate the clearance and settlement of transactions in those securities between participants through electronic book-entry changes in accounts of its participants. The participants include securities brokers and dealers (including the placement agent of the Outstanding Notes), banks, trust companies, clearing corporations and certain other organizations. Access to DTC’s system is also available to other entities such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a participant, either directly or indirectly (collectively, the “indirect participants”). Persons who are not participants may beneficially own securities held by or on behalf of DTC only through the participants or the indirect participants. The ownership interests in, and transfers of ownership interests in, each security held by or on behalf of DTC are recorded on the records of the participants and indirect participants.

DTC has also advised us that, pursuant to procedures established by it:

(1) upon deposit of the Global Notes, DTC will credit the accounts of the applicable participants with portions of the principal amount of the Global Notes; and

(2) ownership of these interests in the Global Notes will be shown on, and the transfer of ownership thereof will be effected only through, records maintained by DTC (with respect to the participants) or by the participants and the indirect participants (with respect to other owners of beneficial interest in the Global Notes).

Investors in the Global Notes who are participants in DTC’s system may hold their interests therein directly through DTC. Investors in the Global Notes who are not participants may hold their interests therein

indirectly through organizations which are participants in such system. All interests in a Global Note may be subject to the procedures and requirements of DTC. The laws of some states require that certain Persons take physical delivery in definitive form of securities that they own. Consequently, the ability to transfer beneficial interests in a Global Note to such Persons will be limited to that extent. Because DTC can act only on behalf of participants, which in turn act on behalf of indirect participants, the ability of a Person having beneficial interests in a Global Note to pledge such interests to Persons that do not participate in the DTC system, or otherwise take actions in respect of such interests, may be affected by the lack of a physical certificate evidencing such interests.

Except as described below, owners of an interest in the Global Notes will not have New Notes registered in their names, will not receive physical delivery of New Notes in certificated form and will not be considered the registered owners or “Holders” thereof under the Indenture for any purpose.

Payments in respect of the principal of, and interest and premium and additional interest, if any, on a Global Note registered in the name of DTC or its nominee will be payable to DTC in its capacity as the registered Holder under the Indenture. Under the terms of the Indenture, the Company and the Trustee will treat the Persons in whose names the Notes, including the Global Notes, are registered as the owners of the Notes for the purpose of receiving payments and for all other purposes. Consequently, neither we, the Trustee nor any agent of the Company or the Trustee has or will have any responsibility or liability for:

(1) any aspect of DTC’s records or any participant’s or indirect participant’s records relating to or payments made on account of beneficial ownership interests in the Global Notes or for maintaining, supervising or reviewing any of DTC’s records or any participant’s or indirect participant’s records relating to the beneficial ownership interests in the Global Notes; or

(2) any other matter relating to the actions and practices of DTC or any of its participants or indirect participants;

DTC has advised us that its current practice, upon receipt of any payment in respect of securities such as the New Notes (including principal and interest), is to credit the accounts of the relevant participants with the payment on the payment date unless DTC has reason to believe it will not receive payment on such payment date. Each relevant participant is credited with an amount proportionate to its beneficial ownership of an interest in the principal amount of the relevant security as shown on the records of DTC. Payments by the participants and the indirect participants to the beneficial owners of Notes will be governed by standing instructions and customary practices and will be the responsibility of the participants or the indirect participants and will not be the responsibility of DTC, the Trustee or the Company. Neither we nor the Trustee will be liable for any delay by DTC or any of its participants in identifying the beneficial owners of the Notes, and we and the Trustee may conclusively rely on and will be protected in relying on instructions from DTC or its nominee for all purposes.

Subject to the transfer restrictions applicable to the Notes described herein, transfers between participants in DTC will be effected in accordance with DTC’s procedures, and will be settled in same-day funds.

DTC has advised us that it will take any action permitted to be taken by a Holder of Notes only at the direction of one or more participants to whose account DTC has credited the interests in the Global Notes and only in respect of such portion of the aggregate principal amount of the Notes as to which such participant or participants has or have given such direction. However, if there is an Event of Default under the Notes, DTC reserves the right to exchange the Global Notes for legended Notes in certificated form, and to distribute such Notes to its participants.

Although DTC has agreed to the foregoing procedures in order to facilitate transfers of interests in the Global Notes among participants, it is under no obligation to perform such procedures, and such procedures may be discontinued or changed at any time. Neither we nor the Trustee nor any of their respective agents will have any responsibility for the performance by DTC or its participants or indirect participants of their respective obligations under the rules and procedures governing their operations.

Exchange of Global Notes for Certificated Notes

A Global Note is exchangeable for Certificated Notes if:

- (1) DTC (A) notifies us that it is unwilling or unable to continue as depository for the Global Notes or (B) has ceased to be a clearing agency registered under the Exchange Act and, in each case, a successor depository is not appointed;
- (2) we, at our option, notify the Trustee in writing that we elect to cause the issuance of the Certificated Notes; or
- (3) there has occurred and is continuing a default with respect to the New Notes.

In addition, beneficial interests in a Global Note may be exchanged for Certificated Notes upon prior written notice given to the Trustee by or on behalf of DTC in accordance with the Indenture. In all cases, Certificated Notes delivered in exchange for any Global Note or beneficial interests in Global Notes will be registered in the names, and issued in any approved denominations, requested by or on behalf of the depository (in accordance with its customary procedures).

Exchange of Certificated Notes for Global Notes

Certificated Notes may not be exchanged for beneficial interests in any Global Note unless the transferor first delivers to the Trustee a written certificate (in the form provided in the Indenture) to the effect that such transfer will comply with the appropriate transfer restrictions applicable to such Notes.

Indebtedness of the Subsidiary being so designated shall be deemed an “Incurrence” of such Indebtedness and an “Investment” by MasTec or such Restricted Subsidiary (or both, if applicable) at the time of such designation; (B) either (I) the Subsidiary to be so designated has total assets of \$1,000 or less or (II) if such Subsidiary has assets greater than \$1,000, such designation would be permitted under the “Limitation on Restricted Payments” covenant and (C) if applicable, the Incurrence of Indebtedness and the Investment referred to in clause (A) of this proviso would be permitted under the “Limitation on Indebtedness and Issuance of Preferred Stock” and “Limitation on Restricted Payments” covenants. The Board of Directors may designate any Unrestricted Subsidiary to be a Restricted Subsidiary; provided that (a) no Default or Event of Default shall have occurred and be continuing at the time of or after giving effect to such designation and (b) all Liens and Indebtedness of such Unrestricted Subsidiary outstanding immediately after such designation would, if Incurred at such time, have been permitted to be Incurred (and shall be deemed to have been Incurred) for all purposes of the Indenture. Any such designation by the Board of Directors shall be evidenced to the Trustee by promptly filing with the Trustee a copy of the Board Resolution giving effect to such designation and an Officers’ Certificate certifying that such designation complied with the foregoing provisions.

“*U.S. Government Obligations*” means securities that are (1) direct obligations of the United States of America for the payment of which its full faith and credit is pledged or (2) obligations of a Person controlled or supervised by and acting as an agency or instrumentality of the United States of America the payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America, which, in either case, are not callable or redeemable at the option of MasTec thereof at any time prior to the Stated Maturity of the Notes, and shall also include a depository receipt issued by a bank or trust company as custodian with respect to any such U.S. Government Obligation or a specific payment of interest on or principal of any such U.S. Government Obligation held by such custodian for the account of the holder of a depository receipt; provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of interest on or principal of the U.S. Government Obligation evidenced by such depository receipt.

“*Voting Stock*” means with respect to any Person, Capital Stock of any class or kind ordinarily having the power to vote for the election of directors, managers or other voting members of the governing body of such Person.

“*Wholly Owned*” means, with respect to any Subsidiary of any Person, the ownership of all of the outstanding Capital Stock of such Subsidiary (other than any director’s qualifying shares or Investments by foreign nationals mandated by applicable law) by such Person or one or more Wholly Owned Subsidiaries of such Person.

EXCHANGE OFFER

Purpose of the Exchange Offer

In connection with the issuance of the Original Notes on January 31, 2007, we entered into a registration rights agreement with the placement agent, under which we agreed to use our commercially reasonable efforts to file and to have declared effective an exchange offer registration statement under the Securities Act and to consummate the exchange offer.

We are making this exchange offer in reliance on interpretations of the staff of the SEC set forth in several no-action letters. We have not, however, sought our own no-action letter. Based upon these interpretations by the SEC, we believe that you, or any other person receiving New Notes, generally may offer for resale, resell or otherwise transfer such New Notes without further registration under the Securities Act and without delivery of a prospectus that satisfies the requirements of Section 10 of the Securities Act. We also believe that a holder may offer, sell or transfer the New Notes only if the holder acquires the New Notes in the ordinary course of its business and is not participating, does not intend to participate and has no arrangement or understanding or understanding with any person to participate in a distribution of the New Notes.

Any holder of the Original Notes using the exchange offer to participate in a distribution of New Notes cannot rely on the no-action letters referred to above. A broker-dealer that acquired Original Notes directly from us, but not as a result of market-making activities or other trading activities, must comply with the registration and prospectus delivery requirements of the Securities Act in the absence of an exemption from such requirements.

Each broker-dealer that receives New Notes for its own account in exchange for Original Notes, as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of such New Notes. This prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of New Notes received in exchange for Original Notes where such Original Notes were acquired by such broker-dealer as a result of market-making activities or other trading activities. The letter of transmittal states that by so acknowledging and delivering a prospectus, a broker-dealer will not be considered to admit that it is an "underwriter" within the meaning of the Securities Act. We have agreed that for a period of 180 days after the expiration date of the exchange offer, we will make this prospectus available to broker-dealers for use in connection with any resales. See "Plan of Distribution."

Except as described above, this prospectus may not be used for an offer to resell, resale or other transfer of New Notes.

The exchange offer is not being made to, nor will we accept tenders for exchange from holders of Original Notes in any jurisdiction in which the exchange offer or the acceptance of tenders would not be in compliance with the securities or blue-sky laws of such jurisdiction.

Terms of the Exchange Offer

Upon the terms and subject to the conditions of the exchange offer, we will accept any and all Original Notes validly tendered and not withdrawn prior to 5:00 p.m., New York City time, on the expiration date for the exchange offer. The date of acceptance for exchange of the Original Notes, and completion of the exchange offer, is the exchange date, which will be as soon as practicable following the expiration date (unless extended as described in this prospectus). Promptly following the exchange date, we will issue an aggregate principal amount of up to \$150.0 million of the New Notes for a like principal amount of outstanding Original Notes tendered and accepted in connection with the exchange offer. The New Notes issued in connection with the exchange offer will be delivered promptly following the exchange date. Holders may tender some or all of their Original Notes in connection with the exchange offer, but only in \$1,000 increments of principal amount.

The terms of the New Notes will be identical in all material respects to the terms of the Original Notes for which they have been exchanged, except that:

- the New Notes will have been registered under the Securities Act, and thus the New Notes generally will not be subject to the restrictions on transfer applicable to the Original Notes or bear restrictive legends;
- the New Notes will bear a different CUSIP number from the Original Notes;
- the New Notes will not be entitled to registration rights; and
- the New Notes will not have the right to earn additional interest under circumstances relating to our registration obligations.

The New Notes will evidence the same debt as the Original Notes and will be issued under the Indenture and entitled to the same benefits under the Indenture as the Original Notes being exchanged. As of the date of this prospectus, \$150.0 million in aggregate principal amount of the Original Notes is outstanding. This prospectus and a letter of transmittal are being sent to all registered holders of outstanding Original Notes. There will be no fixed record date for determining registered holders entitled to participate in this exchange offer.

In connection with the issuance of the Original Notes, we have arranged for the Original Notes originally purchased by qualified institutional buyers and those sold in reliance on Regulation S under the Securities Act to be issued and transferable in book-entry form through the facilities of DTC, acting as depositary. The New Notes will be issued in the form of Global Notes registered in the name of DTC or its nominee and each beneficial owner's interest in it will be transferable in book-entry form through DTC. See "Description of New Notes — Book-Entry; Delivery and Form."

The exchange offer is not conditioned upon any minimum aggregate principal amount of outstanding Notes being tendered for exchange.

We intend to conduct the exchange offer in accordance with the provisions of the registration rights agreement, the applicable requirements of the Securities Act and the Exchange Act and the rules and regulations of the SEC.

Holders of Original Notes do not have any appraisal or dissenters' rights in connection with the exchange offer. Original Notes which are not tendered for exchange or are tendered but not accepted in connection with the exchange offer will remain outstanding and be entitled to the benefits of the Indenture, but will not be entitled to any registration rights under the applicable registration rights agreement. See "— Issuances of New Notes; Consequences of Failures to Property Tender Original Notes in the Exchange Offer."

We shall be considered to have accepted validly tendered Original Notes if and when we have given oral or written notice to the exchange agent. The exchange agent will act as agent for the tendering holders for the purposes of receiving the New Notes from us.

If any tendered Original Notes are not accepted for exchange because of an invalid tender, the occurrence of certain other events described in this prospectus or otherwise, we will return the Original Notes, without expense, to the tendering holder promptly after the expiration date.

Holders who tender Original Notes will not be required to pay brokerage commissions or fees or, subject to the instructions in the letter of transmittal, transfer taxes on exchange of Original Notes in connection with the exchange offer. We will pay all charges and expenses, other than certain applicable taxes described below, in connection with the exchange offer. See "— Fees and Expenses."

Expiration Date; Extensions; Amendments

The expiration date for the exchange offer is 5:00 p.m., New York City time, on June 29, 2007, unless extended by us in our sole discretion, in which case the term "expiration date" shall mean the latest date and time to which the exchange offer is extended.

We reserve the right, in our sole discretion:

- to extend the offer or to terminate the exchange offer if, in our reasonable judgment, any of the conditions described below shall not have been satisfied, by giving oral or written notice of the extension or termination to the exchange agent; or
- to amend the terms of the exchange offer in any manner.

If we amend the exchange offer in a manner that we consider material, we will disclose such amendment by means of a prospectus supplement, and we will extend the exchange offer for a period of five to ten business days.

If we determine to extend, amend or terminate the exchange offer, we will publicly announce this determination by making a timely release through an appropriate news agency.

Interest on the New Notes

Interest on the New Notes will bear interest at $7\frac{5}{8}\%$ from the most recent date to which interest on the Original Notes has been paid or, if no interest has been paid on the Original Notes, from their issue date. Interest will be payable semi-annually in arrears on February 1 and August 1 of each year.

Conditions to the Exchange Offer

Notwithstanding any other term of the exchange offer, we will not be required to accept for exchange, or exchange New Notes for, any Original Notes and may terminate the exchange offer as provided in this prospectus before the acceptance of the Original Notes, if prior to the expiration date:

- the exchange offer violates any applicable law; or
- the exchange offer violates any applicable interpretation of the staff of the SEC.

The conditions listed above are for our sole benefit and may be asserted by us regardless of the circumstances giving rise to any of these conditions. We may waive these conditions in our reasonable discretion in whole or in part at any time and from time to time prior to the expiration date. The failure by us at any time to exercise any of the above rights shall not be considered a waiver of such right, and such right shall be considered an ongoing right which may be asserted at any time and from time to time.

If we determine in our reasonable discretion that any of the conditions are not satisfied, we may:

- refuse to accept any Original Notes and return all tendered Original Notes to the tendering holders;
- extend the exchange offer and retain all Original Notes tendered before the expiration of the exchange offer, subject, however, to the rights of holders to withdraw these Original Notes (see “— Withdrawal of Tenders” below); or
- waive unsatisfied conditions relating to the exchange offer and accept all properly tendered Original Notes which have not been withdrawn.

Procedures For Tendering

Unless the tender is being made in book-entry form, to tender in the exchange offer, a holder must:

- complete, sign and date the letter of transmittal, or a facsimile of it;
- have the signatures guaranteed if required by the letter of transmittal; and
- mail or otherwise deliver the letter of transmittal or the facsimile, the Original Notes and any other required documents to the exchange agent prior to 5:00 p.m., New York City time, on the expiration date.

Any financial institution that is a participant in DTC’s Book-Entry Transfer Facility system may make book-entry delivery of the Original Notes by causing DTC to transfer the Original Notes into the exchange

agent's account. Although delivery of Original Notes may be effected through book-entry transfer into the exchange agent's account at DTC, the letter of transmittal (or facsimile), with any required signature guarantees and any other required documents, must, in any case, be transmitted to and received or confirmed by the exchange agent at its address set forth under the caption "Exchange Agent" below, prior to 5:00 p.m., New York City time, on the expiration date. Delivery of documents to DTC in accordance with its procedures does not constitute delivery to the exchange agent.

The tender by a holder of Original Notes will constitute an agreement between us and the holder in accordance with the terms and subject to the conditions set forth in this prospectus and in the letter of transmittal.

The method of delivery of Original Notes and the letter of transmittal and all other required documents to the exchange agent is at the election and risk of the holders. Instead of delivery by mail, we recommend that holders use an overnight or hand delivery service. In all cases, holders should allow sufficient time to assure delivery to the exchange agent before the expiration date. No letter of transmittal of Original Notes should be sent to us. Holders may request their respective brokers, dealers, commercial banks, trust companies or nominees to effect the tenders for such holders.

Any beneficial owner whose Original Notes are registered in the name of a broker, dealer, commercial bank, trust company or other nominee and who wishes to tender should contact the registered holder promptly and instruct such registered holder to tender on behalf of the beneficial owner. If the beneficial owner wishes to tender on that owner's own behalf, the beneficial owner must, prior to completing and executing the letter of transmittal and delivering such beneficial owner's Original Notes, either make appropriate arrangements to register ownership of the Original Notes in such beneficial owner's name or obtain a properly completed bond power from the registered holder. The transfer of registered ownership may take considerable time.

Signatures on letters of transmittal or notices of withdrawal must be guaranteed by an eligible guarantor institution within the meaning of Rule 17Ad-15 under the Exchange Act, unless the Original Notes tendered pursuant thereto are tendered:

- by a registered holder who has not completed the box entitled "Special Registration Instructions" or "Special Delivery Instructions" on the letter of transmittal; or
- for the account of an eligible guarantor institution.

In the event that a signature on a letter or transmittal or a notice of withdrawal is required to be guaranteed, such guarantee must be by:

- a member firm of a registered national securities exchange or of the National Association of Securities Dealers, Inc.;
- a commercial bank or trust company having an office or correspondent in the United States; or
- an "eligible guarantor institution."

If the letter of transmittal is signed by a person other than the registered holder of any Original Notes, the Original Notes must be endorsed by the registered holder or accompanied by a properly completed bond power, in each case signed or endorsed in blank by the registered holder.

If the letter of transmittal or any Original Notes or bond powers are signed or endorsed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, such persons should so indicate when signing and, unless waived by us, submit evidence satisfactory to us of their authority to act in that capacity with the letter of transmittal.

We will determine all questions as to the validity, form, eligibility (including time of receipt) and acceptance and withdrawal of tendered Original Notes in our sole discretion. We reserve the absolute right to reject any and all Original Notes not properly tendered or any Original Notes whose acceptance by us would, in the opinion of our counsel, be unlawful. We also reserve the right to waive any defects, irregularities or conditions of tender as to any particular Original Notes either before or after the expiration date. Our

interpretation of the terms and conditions of the exchange offer (including the instructions in the letter of transmittal) will be final and binding on all parties. Unless waived, any defects or irregularities in connection with tenders of Original Notes must be cured within a time period we will determine. Although we intend to request the exchange agent to notify holders of defects or irregularities relating to tenders of Original Notes, neither we, the exchange agent nor any other person will have any duty or incur any liability for failure to give such notification. Tenders of Original Notes will not be considered to have been made until such defects or irregularities have been cured or waived. Any Original Notes received by the exchange agent that are not properly tendered and as to which the defects or irregularities have not been cured or waived will be returned by the exchange agent to the tendering holders, unless otherwise provided in the letter of transmittal, promptly following the expiration date.

In addition, we reserve the right, as set forth above under the caption “Conditions to the Exchange Offer”, to terminate the exchange offer. By tendering, each holder represents to us, among other things, that:

- the New Notes acquired in connection with the exchange offer are being obtained in the ordinary course of business of the person receiving the New Notes, whether or not such person is the holder;
- neither the holder nor any such other person has an arrangement or understanding with any person to participate in the distribution of such New Notes; and
- neither the holder nor any such other person is our “affiliate” (as defined in Rule 405 under the Securities Act).

If the holder is a broker-dealer which will receive New Notes for its own account in exchange for Original Notes, it will acknowledge that it acquired such Original Notes as the result of market-making activities or other trading activities and it will deliver a prospectus in connection with any resale of such New Notes. See “Plan of Distribution.”

Guaranteed Delivery Procedures

A holder who wishes to tender its Original Notes and:

- whose Original Notes are not immediately available;
- who cannot deliver the holder’s Original Notes, the letter of transmittal or any other required documents to the exchange agent prior to the expiration date; or
- who cannot complete the procedures for book-entry transfer before the expiration date; may effect a tender if:
- the tender is made through an eligible guarantor institution;
- before the expiration date, the exchange agent receives from the eligible guarantor institution:

- (i) a properly completed and duly executed notice of guaranteed delivery by facsimile transmission, mail or hand delivery,
- (ii) the name and address of the holder, and

(iii) the certificate number(s) of the Original Notes and the principal amount of Original Notes tendered, stating that the tender is being made and guaranteeing that, within three New York Stock Exchange trading days after the expiration date, the letter of transmittal and the certificate(s) representing the Original Notes (or a confirmation of book-entry transfer), and any other documents required by the letter of transmittal will be deposited by the eligible guarantor institution with the exchange agent; and

- the exchange agent receives, within three New York Stock Exchange trading days after the expiration date, a properly completed and executed letter of transmittal or facsimile, as well as the certificate(s) representing all tendered Original Notes in proper form for transfer or a confirmation of book-entry transfer, and all other documents required by the letter of transmittal.

Upon request, the exchange agent will send to you a notice of guaranteed delivery if you wish to tender your Notes according to the guaranteed delivery procedures.

Withdrawal of Tenders

Except as otherwise provided herein, tenders of Original Notes may be withdrawn at any time prior to 5:00 p.m., New York City time, on the expiration date.

To withdraw a tender of Original Notes in connection with the exchange offer, a written or facsimile transmission notice of withdrawal must be received by the exchange agent at its address set forth herein prior to 5:00 p.m., New York City time, on the expiration date. Any such notice of withdrawal must:

- specify the name of the person who deposited the Original Notes to be withdrawn;
- identify the Original Notes to be withdrawn (including the certificate number(s) and principal amount of such Original Notes);
- be signed by the depositor in the same manner as the original signature on the letter of transmittal by which such Original Notes were tendered (including any required signature guarantees) or be accompanied by documents of transfer sufficient to have the Trustee register the transfer of such Original Notes into the name of the person withdrawing the tender; and
- specify the name in which any such Original Notes are to be registered, if different from that of the depositor.

We will determine all questions as to the validity, form and eligibility (including time of receipt) of such notices of withdrawal. Any Original Notes so withdrawn will be considered not to have been validly tendered for purposes of the exchange offer, and no New Notes will be issued unless the Original Notes withdrawn are validly re-tendered. Any Original Notes which have been tendered but which are not accepted for exchange or which are withdrawn will be returned to the holder without cost to such holder promptly after withdrawal, rejection of tender or termination of the exchange offer. Properly withdrawn Original Notes may be re-tendered by following one of the procedures described above under the caption “— Procedures for Tendering” at any time prior to the expiration date.

Information Regarding the Registration Rights Agreement

As noted, we are effecting this exchange offer to comply with the registration rights agreement. The registration rights agreement requires us to use our commercially reasonable efforts to:

- file with the SEC a registration statement for the exchange offer;
- cause such registration statement to be declared effective under the Securities Act;
- have such registration statement remain effective until the closing of the exchange offer;
- commence the exchange offer promptly after the exchange offer registration statement is declared effective by the Commission; and
- consummate the exchange offer not later than October 31, 2007.

In addition, we must use our commercially reasonable efforts to file a shelf registration statement for the resale of the Original Notes under certain circumstances and to cause such registration statement to be declared effective under the Securities Act.

In the event that the exchange offer is not consummated or the shelf registration statement, if required, has not become effective on or prior to October 31, 2007, the interest rate on the Original Notes will be increased by 0.25% per annum for the first 90-day period thereafter, and the amount of such additional interest will increase by an additional 0.25% for each subsequent 90-day period, up to a maximum of 1.0% over the original interest rate of the Original Notes. Once the exchange offer is consummated or the shelf registration

statement is declared effective, the annual interest rate on the Original Notes will be changed again to the original interest rate.

Our obligations to register the New Notes will terminate upon the consummation of the exchange offer. However, under certain circumstances specified in the registration rights agreement, we may be required to file a shelf registration statement for a continuous offer in connection with the Original Notes.

This summary includes only material terms of the registration rights agreement. For a full description you should refer to the complete copy of the registration rights agreement, which has previously been filed with the SEC. See “Where You Can Find More Information.”

Exchange Agent

U.S. Bank, National Association has been appointed as exchange agent in connection with the exchange offer. Questions and requests for assistance, requests for additional copies of this prospectus or of the letter of transmittal should be directed to the exchange agent at its offices at 60 Livingston Avenue, EP-MN-WS2N, St. Paul, MN 55107. The exchange agent’s telephone number is (800) 934-6802 and facsimile number is (651) 495-8158.

Fees and Expenses

We will not make any payment to brokers, dealers or others soliciting acceptances of the exchange offer. We will pay certain other expenses to be incurred in connection with the exchange offer, including the fees and expenses of the exchange agent and certain accounting and legal fees.

Holders who tender their Original Notes for exchange will not be obligated to pay transfer taxes; however, if:

- New Notes are to be delivered to, or issued in the name of, any person other than the registered holder of the Original Notes tendered; or
- tendered Original Notes are registered in the name of any person other than the person signing the letter of transmittal; or
- a transfer tax is imposed for any reason other than the exchange of Original Notes in connection with the exchange offer;

then the amount of any such transfer taxes (whether imposed on the registered holder or any other person) will be payable by the tendering holder. If satisfactory evidence of payment of such taxes or exemption from them is not submitted with the letter of transmittal, the amount of such transfer taxes will be billed directly to the tendering holder.

Accounting Treatment

The New Notes will be recorded at the same carrying value as the Original Notes as reflected in our accounting records on the date of the exchange. Accordingly, we will not recognize any gain or loss for accounting purposes upon the completion of the exchange offer. The expenses of the exchange offer that we pay will increase our deferred financing costs and will be amortized over the term of the Notes in accordance with generally accepted accounting principles.

Issuance of New Notes; Consequences of Failures to Properly Tender Original Notes in the Exchange Offer

Issuance of the New Notes in exchange for the Original Notes in the exchange offer will be made only after timely receipt by the exchange agent of the certificate(s) representing the Original Notes (or a confirmation of book-entry transfer), a properly completed and duly executed letter of transmittal (or an agent’s message from DTC) and all other required documents. Therefore, holders of the Original Notes desiring to tender such Original Notes in exchange for New Notes should allow sufficient time to ensure

timely delivery. We are under no duty to give notification of defects or irregularities of tenders of Original Notes for exchange. Original Notes that are not tendered or that are tendered but not accepted by us will, following completion of the exchange offer, continue to be subject to the existing restrictions upon transfer thereof under the Securities Act, and, upon completion of the exchange offer, certain registration rights under the registration rights agreement will terminate. In the event the exchange offer is completed, we will not be required to register the remaining Original Notes. Remaining Original Notes will continue to be subject to the following restrictions on transfer:

- the remaining Original Notes may be resold only (i) if registered pursuant to the Securities Act, (ii) if an exemption from registration is available, or (iii) if neither such registration nor such exemption is required by law; and
- the remaining Original Notes will bear a legend restricting transfer in the absence of registration or an exemption.

We do not currently anticipate that we will register the remaining Original Notes under the Securities Act. To the extent that Original Notes are tendered and accepted in connection with the exchange offer, any trading market for remaining Original Notes could be adversely affected. See “Risk Factors — Risks Relating to the New Notes and the Exchange Offer — If you do not exchange your Original Notes, they may be difficult to resell.”

Transfer Taxes

We will pay all transfer taxes, if any, applicable to the exchange of outstanding Original Notes under the exchange offer. The tendering holder, however, will be required to pay any transfer taxes, whether imposed on the registered holder or any other person, if:

- certificates representing outstanding Notes for principal amounts not tendered or accepted for exchange are to be delivered to, or are to be issued in the name of, any person other than the registered holder of outstanding Notes tendered;
- tendered outstanding Original Notes are registered in the name of any other person other than the person signing the letter of transmittal; or
- a transfer tax is imposed for any reason other than the exchange of outstanding Notes under the exchange offer.

If satisfactory evidence of payment of such taxes is not submitted with the letter of transmittal, the amount of such transfer taxes will be billed to the tendering holder.

Other

Participating in the exchange offer is voluntary and you should carefully consider whether to accept. You are urged to consult your financial and tax advisors in making your decision on what action to take.

UNITED STATES FEDERAL INCOME TAX CONSEQUENCES

The following discussion summarizes the material U.S. federal income tax consequences of an exchange of an Original Note for a New Note pursuant to the exchange offer. This summary applies only to a person who holds the Original Note and the New Note as capital assets and does not address considerations that may be relevant to an investor that is subject to special tax rules, like a bank, thrift, real estate investment trust, regulated investment company, insurance company, dealer in securities or currencies, trader in securities or commodities that elects mark to market treatment, a person that holds the Original Note or the New Note as a position in a “straddle,” conversion or other integrated transaction, a tax-exempt organization, partnership or other entity classified as a partnership for U.S. federal income tax purposes, certain former citizens and residents of the United States, a person who is liable for the alternative minimum tax, or a person whose “functional currency” is not the U.S. dollar. If an entity that is treated as a partnership for U.S. federal income tax purposes holds a New Note, the tax treatment of a partner generally will depend on the status of the partner and the activities of the partnership. If you own an interest in such an entity, you should consult your tax adviser. In addition, this discussion does not describe any tax consequences arising under the tax laws of any state, local or foreign jurisdiction, or any U.S. federal tax other than the income tax.

This summary is based on laws, regulations, rulings and judicial decisions now in effect, all of which may change. Any change could apply retroactively and could affect the continued validity of this summary.

You should consult your tax adviser about the tax consequences of purchasing, holding or disposing of an Original Note or a New Note, including the relevance to your particular situation of the considerations discussed below, as well as the relevance to your particular situation of state, local, foreign or other tax laws.

The exchange of an Original Note for a New Note pursuant to the exchange offer generally will not constitute a taxable exchange for U.S. federal income tax purposes. As a result, (1) you will not recognize taxable gain or loss as a result of exchanging an Original Note for a New Note pursuant to the exchange offer; (2) the holding period of a New Note will include the holding period of the Original Note exchanged therefor; and (3) the tax basis of the New Note will be the same as the tax basis of the Original Note exchanged therefor.

THE PRECEDING PARAGRAPH DOES NOT DESCRIBE ALL OF THE U.S. FEDERAL INCOME TAX CONSEQUENCES THAT MAY BE RELEVANT TO A HOLDER IN LIGHT OF ITS PARTICULAR CIRCUMSTANCES OR TO HOLDERS SUBJECT TO SPECIAL RULES. IF YOU ARE CONSIDERING AN EXCHANGE OF AN ORIGINAL NOTE FOR A NEW NOTE, YOU SHOULD CONSULT YOUR OWN TAX ADVISER(S) CONCERNING THE TAX CONSEQUENCES OF THE EXCHANGE ARISING UNDER U.S. FEDERAL, STATE, LOCAL, OR FOREIGN LAWS.

PLAN OF DISTRIBUTION

The staff of the SEC has taken the position that any broker-dealer that receives New Notes for its own account in the exchange offer in exchange for Original Notes that were acquired by such broker-dealer as a result of market-making or other trading activities, may be deemed to be an “underwriter” within the meaning of the Securities Act and must deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of such New Notes.

Each broker-dealer that receives New Notes for its own account in the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of the New Notes. This prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of New Notes received in exchange for Original Notes where the Original Notes were acquired as a result of market-making activities or other trading activities. We have agreed that, for a period of 180 days after the expiration date of the exchange offer, we will make this prospectus, as amended or supplemented, available to any broker-dealer for use in connection with any resale.

We will not receive any proceeds from any sale of New Notes by broker-dealers. New Notes received by broker-dealers for their own account in the exchange offer may be sold from time to time in one or more transactions in the over-the-counter market, in negotiated transactions, through the writing of options on the New Notes or a combination of these methods of resale. These resales may be made at market prices prevailing at the time of resale, at prices related to these prevailing market prices or negotiated prices. Any resale may be made directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from any broker-dealer and/or the purchasers of any of the New Notes. Any broker-dealer that resells New Notes that were received by it for its own account in the exchange offer and any broker or dealer that participates in a distribution of the New Notes may be deemed to be an “underwriter” within the meaning of the Securities Act, and any profit on the resale of New Notes and any commission or concessions received by those persons may be deemed to be underwriting compensation under the Securities Act. Any such broker-dealer must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale transaction, including the delivery of a prospectus that contains information with respect to any selling holder required by the Securities Act in connection with any resale of the New Notes. By delivering a prospectus, however, a broker-dealer will not be deemed to admit that it is an underwriter within the meaning of the Securities Act.

Furthermore, any broker-dealer that acquired any of its Original Notes directly from us:

- may not rely on the applicable interpretation of the staff of the SEC’s position contained in Exxon Capital Holdings Corp., SEC no-action letter (April 13, 1988), Morgan, Stanley & Co. Inc., SEC no-action letter (June 5, 1991) and Shearman & Sterling, SEC no-action letter (July 2, 1993); and
- must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale of the New Notes.

We have agreed to pay all expenses incident to the performance of our obligations in relation to the exchange offer other than commissions or concessions of any brokers or dealers. We will indemnify the holders of the New Notes against certain liabilities, including liabilities under the Securities Act.

LEGAL MATTERS

The validity of the New Notes and the guarantees offered hereby will be passed upon for us by Greenberg Traurig, P.A., Miami, Florida.
