***Concurrent Offering of Convertible Notes***

Concurrently with this offering of common stock, pursuant to a separate prospectus supplement, we are offering \$100 million aggregate principal amount of 4.00% convertible notes due 2014 (the "convertible notes"), or \$115 million aggregate principal amount of convertible notes if the underwriters exercise their over-allotment option in full (the "Convertible Notes Offering"). The convertible notes being offered in the Convertible Notes Offering will be convertible, at the holder's option, into shares of our common stock initially at a conversion rate of 63.4417 shares of our common stock per \$1,000 principal amount of the notes (equivalent to an initial conversion price of approximately \$15.76 per share).

Neither the completion of the Common Stock Offering nor of the Convertible Notes Offering is contingent on the completion of the other. Assuming no exercise of the underwriters' over-allotment option with respect to the Convertible Notes Offering, the net proceeds of the Convertible Notes Offering, before expenses, will be approximately \$96.75 million.
