MasTec Announces First Quarter Results

Earnings from Continuing Operations of \$0.06 Per Share on 13% Rise in Revenue

Coral Gables, FL (May 8, 2006) — MasTec, Inc. (NYSE: MTZ) today announced that for the quarter ended March 31, 2006, income from continuing operations was \$3.6 million, or \$0.06 diluted earnings per share, on revenue of \$218.8 million. This compares with a loss from continuing operations of \$5.4 million, or \$0.11 diluted loss per share, on revenue of \$194.0 million in the prior year quarter.

Austin J. Shanfelter, MasTec's President and Chief Executive Officer, commented, "We see strong demand for MasTec branded services across all of our markets. In fact, we have the best demand environment that we have seen since 2000. There are multiple leading indicators on future increased spending for most of our customer base."

The Company currently has gross liquidity, defined as bank cash plus credit line availability, of approximately \$105 million, compared with \$10 million a year ago. MasTec currently has no cash draws on its \$150 million bank credit facility, which was recently amended to provide for better terms and pricing based on the Company's improved financial position.

Mr. Shanfelter continued, "MasTec continues to make substantial operational progress in a number of areas. Revenue is up, liquidity and cash are both up, general and administrative expense trends are positive, receivables collections are up sharply and our overall performance is improving quarter by quarter. We expect that 2006 will be a good year for MasTec and its investors."

For 2006, MasTec's guidance forecast remains unchanged. The Company expects revenue to be in the range of \$950 to \$975 million, a double-digit growth rate. Earnings per share from continuing operations for 2006 are expected to be between \$0.70 and \$0.80 per share.

Management will hold a conference call to discuss results of operations for the quarter ended March 31, 2006 on Tuesday, May 9, 2006 at 9:30 a.m. Eastern time. The call-in number for the conference call is (913) 981-4913 and the replay number is (719) 457-0820, with a pass code of 2504746. The replay will run for 30 days. Additionally, the call will be broadcast live over the Internet and can be accessed and replayed through the investor relations section of the Company's website at www.mastec.com.

Summary financials for the quarters are as follows:

MasTec <www.mastec.com> is a leading specialty contractor operating throughout the United States and in Canada across a range of industries. The Company's core activities are the building, installation, maintenance and upgrade of communication, utility infrastructure and transportation systems.

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act. These statements are based on management's current expectations and are subject to a number of risks, uncertainties, and assumptions, including that our revenue and earnings per share may differ from that projected, that we may be impacted by business and economic conditions affecting our customers, the highly competitive nature of our industry, dependence on a limited number of customers, the adequacy of our insurance and other reserves and allowances for doubtful accounts, restrictions imposed by our credit facility and senior notes, as well as other risks detailed in our filings with the Securities and Exchange Commission. Actual results may differ significantly from results expressed or implied in these statements. We do not undertake any obligation to update forward-looking statements.
